The vessels whose names are listed below have been reported to the Bureau as actual total losses and are classified in the column headed "Nature" as follows:

1. Foundered. Casualties due to leaking or capsizing of vessels, including vessels lost at sea not due to causes 3 or 4.
2. Stranded. Casualties due to vessels running aground, striking rocks, reefs, bars, etc.
3. Collided. Casualties involving impacts between two or more vessels, and between a vessel or vessels and some other floating or fixed object or objects.
4. Burned. Casualties due to fire or explosion.
5. Abandoned. Abandoned at sea. (For abandonment due to age, see VESSELS ABANDONED section.)
6. Lost. Self-explanatory causes not included in preceding classifications, and losses of vessels where the cause and/or place is unknown. The place given is the position at, off, or near which the casualty occurred.

Vessels Abandoned or Removed for Other Causes

The terms most frequently used in the "Why Removed" column are defined as follows:

1. Abandoned. Abandoned due to age or deterioration.
2. Motorboat no. awarded. Motorboat number awarded by a State or by the United States Coast Guard.
3. Exempt. Exempt from documentation.
4. Out of documentation. Documents surrendered because of change in ownership without redocumentation in the name of the new owner (except vessels covered by 5 below), out of commission, etc.
5. Sold United States. Sold or transferred to or title requisitioned by some agency of the Government and not redocumented.
6. Dismantled or scrapped. Vessel stripped (or scrapped) and dismantled.
