Maricette

To a girl with eyes of blue
who taught me more than
I ever knew

Of people and things in a
strange land.

I think now its quite nice
this Holland

When I first met her, she
was a bit sick

For her to smile was a very
tough trick

But since the 'Doc' fixed
up her inners

she laughs quite well at
us A. I. pinners

About this world though I
do roam

I've hardly been in a nice
home

And if I make her happy
by this poem
I really wish that I could
write a tome
