FAR EAST

No. 51	The inability of UN medium bombers to venture
Nov 51	north of the Chongchon River in northwestern
	Korea in daylight hours is cited
	as demonstrating the loss of UN air
	superiority in this area.
	however, that
e "relative freedo	m of action" enjoyed by high-performance UN jet aircraft
	orea has in turn prevented the Communists from
	ir superiority, in effect establishing an "aerial no-man's
nd. "	and the support of th
	•
	Comment: Loss of air superiority north of
e Chongchon River	has caused the UN to resort to night medium bomber and
thter-bomber mis:	sions in an attempt to continue the neutralization of the
	sions in an attempt to continue the neutralization of the . Namsi and Saamchan. The Communists are continuing
rfields at Taechon	, Namsi and Saamchan. The Communists are continuing
rfields at Taechon augment their ant	, Namsi and Saamchan. The Communists are continuing iaircraft defenses at these fields, and considerable con-
