**How students meet with college representatives:**

\*Students should make an appointment to speak with admission reps if they are interested in attending the school.

Make sure the colleges you are applying to have your intended majors.

**Helpful hints when applying to colleges:**

1. Make an appointment in the College/University notebook, located in the NEW Career Center, Room 102.
2. For College "Onsite" Visits, students should submit college applications online by using the website: [www.cfnc.org](http://www.cfnc.org) by the "Target Date" on the chart below.
3. Request transcript/SAT scores in the Student Services Department by "Target Date"
4. **Reminder:** Onsite Admissions means that admission rep/s will inform the student/s the day of the appointment if he/she is accepted or denied college admission.
