

President's Letter

Pride Athletic Club Fall, 2010

The Leesville Road High School (LRHS) ***Pride Athletic Club (PAC)*** is a voluntary organization originally founded in the early days of LRHS to support our athletic programs and our student athletes at the High School level. Our support is leveraged through ***PAC*** memberships, sponsorship advertising, summer camps, commemorative bricks, along with many other fund raising activities. Most importantly, 100% of the money generated through ***PAC*** goes directly back to our athletic programs for our student athletes and approximately 60% of our membership dues generated through ***PAC*** go directly to the LRHS Athletic Department.

Thanks to the efforts of ***PAC*** members this past school year some of our highlights include:

- (i) paid (\$29000) for replacement Activity Bus to transport our teams
- (ii) paid (\$14350) for a new Public Address system for our football stadium facility
- (iii) paid (\$2902) for 2 defibrillators for the Sports Medicine Department
- (iv) paid (\$1600) for Leesville Wearables for all athletic coaches
- (v) paid (\$23537) from PAC for school donation
- (vi) paid (\$1783) for concession stand improvements
- (vii) Baseball Facility improvements are underway for Spring

PAC provided in excess of \$82400 in cash and capital assistance for projects for LRHS during the 2009-2010 year thanks to the efforts of all ***PAC*** members with more to come!

PAC would like to give a hearty "Thank You" to everyone who supported ***PAC*** and our activities this past year. We need your continued support to take LRHS to continued greatness and success!! Please consider joining ***PAC*** to support our continued initiatives as well as support our student athletes!

Lee Foreman
President, ***PAC***
