9. Students who are on campus during an exam period for which they do not have an exam must report to the media center.
10. The campuses of Leesville Road Elementary School and Leesville Road Middle School, as well as other Wake County schools, are strictly off limits on these dates to Leesville Road High School students.
11. **In all courses with an End-of-Course (EOC) test, the EOC test shall count as 25% of the student's final grade. In courses without an EOC test, the final exam shall count as 20% of the student's final grade.**
12. The final day for the after-school activity bus for the Spring 2007 semester will be May 31.
13. The **EOC Retest #1, Intervention for EOC Retest #2, and EOC Retest #2** items on the exam schedule only pertain to the students affected by the End-of-Course (EOC) test requirements included in the new graduation requirement implemented by the state at the beginning of the 2006-2007 school year. For the 2006-2007 school year, this group of students consists of individuals in the ninth grade for the first time. Furthermore, the graduation requirement only involves the following courses: Algebra I, English I, Biology, Civics & Economics, and U.S. History. It also is important to note that retest options are only available to students who fail the first administration of the EOC test associated with one of these courses; yet, they still pass the course with the initial test score factored into the course grade.
