9. **In all courses with an End-of-Course (EOC) test, the EOC test shall count as 25% of the student's final grade. In courses without an EOC test, the final exam shall count as 20% of the student's final grade.**

11. The **EOC Retest #1** on the exam schedule only pertains to the students affected by the End-of-Course (EOC) test requirements included in the new graduation requirement implemented by the state at the beginning of the 2006-2007 school year. This year the three EOC courses are Algebra I, English I and Biology. WCPSS requires students to meet the graduation requirements for Algebra I, English I, and Biology. All EOC courses require a re-test when students score a Level II or they opt in when they score a Level I. A re-test opt in letter is necessary for students to re-test when they score a Level I.
