The new webmaster is ready to start posting stuff to the site. Anyone with pictures, etc., (besides the Darty Old Men, who already have sent stuff—thanks, guys) which they would like to see included, especially season winners/tournament winners and/or funny party shots, etc., should email them to me at stgmngr@aol.com - they will find their way onto the site.

TDL's Men's and Women's Challenge next match is also at home - against the teams from Fuquay-Varina. Anyone who is interested in playing, contact either Sean O'Brien (morndue@mindspring.com); or Stella Sutter (home: 919/968-0702; cellphone: 423-4216; stgmngr@aol.com) We can always use supporters as well.

NOW, here's ALL THE NEWS FROM... LAKE I'ILE BEDAMMED for 09.18 and 9/25 >>>>>

OK, last week was hell week from the realms of all things mechanical - if it had a moving part and I touched it, it broke! **So, let's catch up ...**

HIGHLIGHTS -- September 18

[aka -- **ALL-STARs** - well' isn't that the highlight of your night if you hit one or more??? And what you want to see in this spot???)

STILL SPARK'HE'SNOTHERE did everything they could (Hell, even I played!!!) to beat **Zog's Easy Math** -- But it was not to be. **EM took it 12-8**, but it took them until the LAST 501 to clinch it! All-Stars: EM - Ricky Bostick ton-09, Charlie Helms ton, ton-40; Matt Smith 92 IN; Kai Monast 5m, 5m; Rob Lambeth 5m, 5m. For Sparky - Angela Joines 5m; Darrell Schwartz 3-bull out; Mark Boudreaux 5m; Kirsten Wright ton-21.

SUBWAY waxed DON'T THINK 19-1 - Don Young accounted for DT's only point. **All-Stars** -- Subway: Pete Gannon 5m, ton; Mike Slomiany 5m, 3-bulls out; Chris Boling 6m, 5m, ton-40; Pete Slomiany 5m. For DT's: Don Young ton-34; Sam Young [trying not to be outdone by his daddy] ton.

DARTY OLD MEN faced a tie score going into 501 against **Cap'n Rippe's Calmer Than UR Dude**, and managed the last two games to avoid the tiebreaker. Final: 12-8, DOM. All-Stars - DOM: Tom Mills ton, 3 bulls out, 5m; David Needham 6m, 5m, 3 bulls; David Annas 5m, 3 bulls; Bate Crudup 6m, 5m, ton-20 [Go, Bate!!! Hat Trick???] Gregory Allen 5m. For Cap'n Rippe - John Folliard ton, ton-14 OUT; Matt Stradley 5m; Mike Thede [sub] ton-20.

COSMIC DEBRIS won over **ROYALE W/CHEESE, 14-6**. All-Stars: CD - Sean O'Brien ton-28; Matt Heimbach 5m, ton-21; Brent Frazier 5m, 5m. For Royale - Mike Burton NINE [count'em 9] MARKS, 5m, 5m; Brett Dicara 3 bulls.

NOW...on to September 25

This week is mid-way through the season; only three more after this until the Tournament(s) start. **EASY MATH** continued their winning ways with a 16-4 win

over **Cap'n Rippe's Calmer Than UR Dude**, giving up only two 501 games in the entire evening. All-Stars: EM - Scott Gee 5 BULLS!!; Rob Lambeth 5m, 3 bulls OUT, ton-40. [Dare I say it - shore was a lotta bull thrown in this match - naw, didn't think I should.] For Cap'n Rippe - Mat Stradley 5m, 5m; John Folliard 5m, ton; Jake Sawyer 6m; Rickie Williams ton.

COSMIC DEBRIS gave notice that they were there to play leading 3-1 after 301 and 7-3 after the first doubles cricket. However, a final 10-0 run for points gave **SUBWAY** the win **13-7**. All-Stars: S'way - Chris Boling ton-IN, ton; Fulton Strathern ton; Pete Gannon 3 bulls, ; Mike Slomiany 5m, 3 bulls out [second or third week in a row for that finish], ton-40; Dug Venema 5m, ton. For CD - Matt Heimbach ton, 5m; Greg Ray 5m, ton; Tom Gilliam ["Tello"] 5m, 3 bulls, 6m.

ROYALE w/CHEESE grated they way to a 17-3 shredding of **DON'T THINK**. OK, OK, I'll stop - only because you all might think these puns were gouda ones. Oops! There it goes again. Is that swissing the point, or is it just poking holes in the theorem? OK, I'll stop. Anyway, All-Stars: Royale - Ed Chase 5m, 5m, 5m, ton-40, ton-40; Brett Dicara 3 bulls out; Mike Burton 5m, 5m; Tom Adams match dart; Tim Kennedy 5m, ton-20. For DT's -- Sam Young 4 bulls.

Still**SPARKY's**NotHere pulled out a tie in regular play, then watched as Boudreaux added another classic way to take out an 80: single 7, trip-17, double-11 to win the tiebreaker against the **DARTY OLD MEN**. All Stars: **Sparky** -- Colin Anderson ton-28, 7m, 7m; Mark Boudreaux 82 IN, ton-40, 3 bulls out; Angela Joines 5m, 4 bulls; Darrell Schwartz 6m, 5m; DOM - Tom Mills 5m; David Needham [of the ultra-streamlined flights] 5m, 6m, 3 bulls out, ton-40 [hey, it seems to be working, David!]; David Annas 5m, ton.

All this sets up this Thursday (October 2nd) with the match to watch -- Darty Old Men vs. Subway at Bub's. Should be a barnburner with the DOM trying to see to it that no one's season remains undefeated, and Subway trying to stay there - not to mention put themselves in good position for the tournament pairings. Here's a little teaser: there will not be byes given - details on that next week - same time, same email addresses --

Why is that, you say? Because NO one except MATT SMITH (Easy Math) has bothered to respond to the email request for a list of those on your team to whom a newsletter should be sent!!!! Please get them in to me as soon as possible. Thank you!

GOOD DARTS TO ALL!

Especially Matt V. and Wayne S, ~~ HAVE SOME FUN!

REMEMBER: I.U.T.Y. ~~ E.H.F.A.R.!
