2025 North Carolina City Dart League (NCCDL)

GUIDELINES FOR PLAY IN THE END-OF-SEASON TOURNAMENTS

- Matches shall end as soon as one team achieves an insurmountable score (i.e., 20 points in an NCCDL match).
- Quarterfinals matches are to begin promptly at 12:00 noon. Semifinals matches shall begin no later than 5:00 p.m., unless one of the pertinent quarterfinals matches is still in progress. If both teams participating in a semifinals match finish their quarterfinals before 5:00, they may choose to start early, but only if both teams agree to the early starting time.
- It is not necessary for teams to mail in their winning scoresheets, however it is necessary that winning captains call me (or see me in person) and give me the scores of their matches and any perfect throws by either team.**
- Only players on the "eligible player" lists may play in the tournaments. --Old-style ADO rules for coin tosses/diddling still apply.
- REMEMBER: If a team is short-handed, they are simply short-handed. They do NOT get to list a player for a second time in any set, whether it is for a point or as a blocker. Short-handed teams forfeit singles points, and play short in multi-player games.
