**If anyone finds anything they think is a mistake on the NCCDL schedule, please call Bip at 910-389-5830 immediately. Thanks.**

### **Additional Important Notes:**

Matches start at 2:00 p.m. and must be played on at least 4 boards (more boards can be used if available).

See NCCDL Rules regarding rescheduled matches.

The men's team, as defined by the NCCDL, is actually an "open" team. The term "men's team" is used simply for ease of clarification on this schedule and in the periodic league newsletters.

A player must play in at least half of his/her team's matches to qualify for tournament play. This year, that minimum is 4 matches.

As per league rules, forfeits this season will carry a score equal to the higher of: a) the winning team's average score from the previous year, or b) the league wide average winning score from the previous year. Therefore, NCCDL forfeit scoring will vary by team with a minimum of 27-0. **Winning captain must send a copy of the match scoresheet within seven days (or else lose the team's points), via email of a scoresheet scan, or text of a scoresheet photo, or via hard copy mail to: Bip (bip502000@yahoo.com; 910-389-5830; 313 Southwest Dr, Jacksonville, NC 28540).**

(Use these same contact avenues for notification of all phone # changes, address changes, captain changes, etc.)

Please send only scans, NOT re-entered data on a spreadsheet - the fewer sources of data entry error, the better.
