[Docket No. RP03-258-001]

Iroquois Gas Transmission System, L.P.; Notice of Tariff Filing

February 24, 2003.

Take notice that on February 20, 2003, Iroquois Gas Transmission System, L.P. (Iroquois) informed the Commission that the following tariff sheets tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, on February 14, 2003, are proposed to have an effective date of April 1, 2003:

Tenth Revised Sheet No. 4A
Eighth Revised Sheet No. 58
Eighth Revised Sheet No. 59
First Revised Sheet No. 60E
Fifth Revised Sheet No. 67
Original Sheet No. 4B
First Revised Sheet No. 58A
Original Sheet No. 60D.01
Third Revised Sheet No. 66A

Iroquois states that the proposed effective date originally proposed in the February 14, 2003 filing was March 14, 2003. However, by a letter dated February 20, 2003, Iroquois advised the Commission that it had determined that it will not be able to commence the new service until April 1, 2003, and therefore the proposed effective date of the tariff sheets is April 1, 2003. Iroquois respectfully requests any necessary waivers of the Commission's regulations to permit the filing to become effective as proposed.

Iroquois states that the purpose of the tariff changes is to implement a new Extended Receipt and Extended

Delivery Point Service, which would extend, on a secondary basis, a shipper's existing firm transportation path to downstream or upstream zones.

Iroquois states that copies of this amended filing were served on all jurisdictional customers and interested state regulatory agencies and all parties to the proceeding.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document. The Mission Group, on Behalf of Its Public Utility Subsidiaries; Notice of Filing

February 24, 2003.

Take notice that on February 5, 2003, The Mission Group (Applicant), acting on behalf of its public utility subsidiaries, filed with the Federal Energy Regulatory Commission (Commission) an application pursuant to section 203 of the Federal Power Act for authorization of a transfer of indirect control of jurisdictional facilities, arising from the proposed reincorporation of the Applicant under

the laws of the State of Delaware. Applicant states that the proposed transaction brings it within the same corporate governance regime as its principal subsidiaries, Edison Mission Energy and Mission Energy Holding Company, and will have no effect on competition, rates, or regulation and is consistent with the public interest.

Any person desiring to intervene or to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. All such motions or protests should be filed on or before the comment date, and, to the extent applicable, must be served on the applicant and on any other person designated on the official service list. This filing is available for review at the Commission or may be viewed on the Commission's Web site at <http://www.ferc.gov>, using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document.
