

landings for the previous calendar year that were not included when the overage deduction was made in the final rule that established the annual coastwide quota for the current year. If the Regional Administrator determines during the fishing year that any part of	an overage deduction was based on erroneous landings data that were in excess of actual landings for the period concerned, he/she will restore the overage that was deducted in error to the appropriate quota allocation. The Regional Administrator will publish	notification in the <b>Federal Register</b> announcing the restoration. * * * * * [FR Doc. 03-5043 Filed 2-27-03; 3:38 pm] <b>BILLING CODE 3510-22-S</b>
