The Department will disclose to parties to this proceeding the calculations performed in reaching these preliminary results within 10 days of the date of announcement of these preliminary review results. An interested party may request a hearing within 30 days of publication of the preliminary results. *See* 19 CFR 351.310(c). Interested parties may submit written comments (case briefs), in accordance with 19 CFR 351.310(c)(1)(ii), and rebuttal comments (rebuttal briefs), which must be limited to issues raised in the case briefs in accordance with 19 CFR 351.309(d). Parties who submit arguments are requested to submit with the argument (1) a statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities. Further, the Department requests that parties submitting written comments provide the Department with a diskette containing the public version of those comments. We will issue subsequently a memorandum identifying the date of a hearing, if one is requested, and the deadlines for submitting case and rebuttal briefs.

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by these reviews and for future deposits of estimated duties.

#### Duty Assessment Rates

Upon completion of this administrative review, the Department will determine, and the U.S. Customs Service (Customs) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we will calculate importer-specific per-unit duty assessment rates based on the ratio of the total amount of the dumping duties calculated for the examined sales to the total quantity of those same sales. These importer-specific rates will be assessed uniformly on all entries of each importer that were made during the POR. In accordance with 19 CFR 351.106 (c)(2), we will instruct Customs to liquidate without regard to antidumping duties any entries for which the importer-specific assessment rate is *de minimis*, i.e., less than 0.5 percent *ad valorem*. For all shipments of bars/wedges from the PRC exported by Huarong and imported by entities not identified by Huarong in its

questionnaire response, we will instruct customs to assess antidumping duties at the cash deposit rate in effect on the date of the entry. The Department will issue appraisal instructions directly to Customs upon the completion of the final results of this administrative review.

#### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of bars and wedges from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice, as provided for by section 751(a)(1) of the Act: (1) The cash deposit rate for bars and wedges exported by Huarong will be the rate established in the final results of this administrative review; (2) for companies previously found to be entitled to a company-specific rate, the cash deposit rate for bars/wedges will continue to be the company-specific rate published for the most recent period reviewed; (3) for all other PRC exporters of bars/wedges from the PRC, the cash deposit rate will be the following PRC country-wide rate: 47.88 percent; and (4) the cash deposit rate for non-PRC exporters of bars/wedges from the PRC who do not have their own rate will be the rate applicable to the PRC supplier of the exporter. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

#### Notification to Interested Parties

This notice serves as a preliminary reminder to importers of their responsibility under § 351.402(f)(2) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this determination in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 28, 2003.

#### Certain Preserved Mushrooms from the People's Republic of China: Preliminary Results and Partial Rescission of Fourth New Shipper Review and Preliminary Results of Third Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of preliminary results and partial rescission of fourth new shipper review and preliminary results of third antidumping duty administrative review.

**SUMMARY:** The Department of Commerce is concurrently conducting the fourth new shipper review and third administrative review of the antidumping duty order on certain preserved mushrooms from the People's Republic of China covering the period February 1, 2001, through January 31, 2002. The new shipper review covers three exporters. We have preliminarily determined that one of those exporters has not made sales at less than normal value. For the other two exporters, we have preliminarily determined that one of them failed to demonstrate that its reported sale was a *bona fide* sale, while the other failed to demonstrate its entitlement to a new shipper review. Thus, we are preliminarily rescinding the review with respect to them. The administrative review covers four exporters. We have preliminarily determined that sales have been made below normal value with respect to all of these exporters. If these preliminary results are adopted in our final results of this review, we will instruct the U.S. Customs Service to assess antidumping duties on all appropriate entries.

Interested parties are invited to comment on these preliminary results. We will issue the final results no later than 120 days from the date of publication of this notice.
