

(13) A new license is required for a vessel that is sold, transferred, renamed, or redocumented.

(14) The license required under this section is in addition to any license, however designated, that is required under the laws of the United States or any of its States.

(15) The United States may suspend, revoke, or modify any license issued under this section under policies and procedures in Title 15, Code of Federal Regulations, Part 904.

#### 5. In-Season Actions

(1) The Commission is authorized to establish or modify regulations during the season after determining that such action:

(a) Will not result in exceeding the catch limit established preseason for each regulatory area;

(b) Is consistent with the Convention between the United States of America and Canada for the Preservation of the Halibut Fishery of the Northern Pacific Ocean and Bering Sea, and applicable domestic law of either Canada or the United States; and

(c) Is consistent, to the maximum extent practicable, with any domestic catch sharing plans or other domestic allocation programs developed by the United States or Canadian governments.

(2) In-season actions may include, but are not limited to, establishment or modification of the following:

(a) Closed areas;

(b) Fishing periods;

(c) Fishing period limits;

(d) Gear restrictions;

(e) Recreational bag limits;

(f) Size limits; or

(g) Vessel clearances.

(3) In-season changes will be effective at the time and date specified by the Commission.

(4) The Commission will announce in-season actions under this section by providing notice to major halibut processors; Federal, State, United States treaty Indian, Provincial fishery officials, and the media.
