

### *Government-to-Government Relationship With Tribes*

In accordance with the President's memorandum of April 29, 1994, "Government to Government Relations with Native American Tribal Governments" (59 FR 22951) and 512 DM 2:

We have evaluated potential effects on federally recognized Indian tribes and have determined that there are no potential effects. Affiliated Native American tribes were contacted by letter dated July 12, 2002 to solicit any interests or concerns with the proposed action. Two tribes responded; the Tohono O'odham and the Hopi Tribes. Both tribes expressed concern that archeological resources be surveyed for impacts from this proposed bicycle use. The NPS has determined that the archeological resources will not sustain adverse impacts and have indicated this in writing to the tribes.

### **Clarity of Rule**

Executive Order 12866 requires each agency to write regulations that are easy to understand. We invite your comments on how to make this rule easier to understand, including answers to questions such as the following: (1) Are the requirements in the rule clearly stated? (2) Does the rule contain technical language or jargon that interferes with its clarity? (3) Does the format of the rule (grouping and order of sections, use of headings, paragraphing, etc.) aid or reduce its clarity? (4) Would the rule be easier to read if it were divided into more (but shorter) sections? (A "section" appears in bold type and is preceded by the symbol "\$" and a numbered heading; for example § 7.11 Saguaro National Park.) (5) Is the description of the rule in the **SUPPLEMENTARY INFORMATION** section of the preamble helpful in understanding the proposed rule? What else could we do to make the rule easier to understand?

Send a copy of any comments that concern how we could make this rule easier to understand to: Office of Regulatory Affairs, Department of the Interior, Room 7229, 1849 C Street, NW, Washington, DC 20240.
