

(i) Significantly affect the protection of investors or the public interest;

(ii) Impose any significant burden on competition; and

(iii) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

The NASD has requested that the Commission waive the five-day pre-filing notice requirement and the 30-day operative delay. The Commission believes waiving the five-day pre-filing notice requirement and the 30-day operative delay is consistent with the protection of investors and the public interest. Acceleration of the operative date will allow the pilot to operate without interruption through April 1, 2003. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.¹⁶

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to file number

[Release No. 34-47437; File No. SR-NASD-2003-21]

Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Establishing a Pricing Schedule for the Use of Nasdaq Trading Applications' Tools Plus Product for Non-NASD Members

March 4, 2003.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 14, 2003, the National Association of Securities Dealers, Inc. ("NASD" or "Association"), through its subsidiary, The Nasdaq Stock Market, Inc. ("Nasdaq"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by Nasdaq. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Nasdaq proposes to establish a pricing schedule for the use of Nasdaq Trading Applications' ("NTA") Tools Plus product by persons that are not NASD members. Nasdaq will implement this rule change 30 days after the date of this filing. Because Nasdaq proposes to charge non-members the same prices for Tools Plus as it currently charges to members under NASD Rule 7050(e)(2), there is no change in rule language.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning

the purpose of and basis for the proposed rule change and discussed comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth below in Sections A, B, and C, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is proposing to establish a pricing schedule for the use of NTA's Tools Plus product by persons that are not NASD members. The proposed pricing schedule is identical to the one already established for NASD members by NASD Rule 7050(e)(2).³ Tools Plus is a software product that provides subscribers with order management and routing, trade reporting, clearing, and regulatory compliance functionality. NTA was formerly Nasdaq Tools, Inc., a subsidiary of Nasdaq that was merged into Nasdaq in 2002.

In SR-NASD-2002-177, Nasdaq established a fee of \$350 per terminal per month for Tools Plus terminals with reduced functionality for use by correspondent firms or floor brokers to route orders to specified broker-dealers with whom they have an established relationship.⁴

Unlike a full functionality Tools Plus terminal, the terminals would not contain functionality to accept order flow, to compile statistics on order execution, or to route orders to a wide range of market centers. This prior filing established prices for use of this product by NASD members, but did not cover non-members. Nasdaq believes, however, that the most likely customers for the floor broker terminal are regional securities exchanges, which may purchase such terminals for use by their members, rather than the floor brokers themselves. Accordingly, Nasdaq proposes to offer Tools Plus to non-members at the same prices at which it is offered to members.⁵ Use of floor
