

any other member. To the extent that the subsidiary member's (or any successor's) deduction or loss is absorbed in the year it arises or is carried forward and absorbed in a subsequent year (e.g., under section 172, 465, or 1212), the deduction is treated as taken into account in the year in which it is absorbed. To the extent that a subsidiary member's (or any successor's) deduction or loss is carried back and absorbed in a prior year (whether consolidated or separate), the deduction or loss is treated as taken into account in the year in which it arises and not in the year in which it is absorbed.

(B) *Determination of items that are allocable to the post-disposition, pre-deconsolidation period.* For purposes of paragraph (c)(4)(i) of this section, the determination of whether a subsidiary member's (or any successor's) items of deduction and loss and allocable share of items of deduction and loss of all lower-tier subsidiary members are allocable to the period beginning on the date of the disposition of subsidiary stock that gave rise to the suspended loss and ending on the day before the first date on which the subsidiary member (or any successor) is not a member of the consolidated group of which it was a member immediately prior to the disposition (or any successor group) is determined pursuant to the rules of § 1.1502-76(b)(2), without regard to § 1.1502-76(b)(2)(ii)(D), as if the subsidiary member ceased to be a member of the group at the end of the day before the disposition and filed separate returns for the period beginning on the date of the disposition and ending on the day before the first date on which it is not a member of such group.

(5) *Allowable loss*—(i) *General rule.* To the extent not reduced under paragraph (c)(4) of this section, any loss suspended pursuant to paragraph (c)(1) or (c)(2) of this section shall be allowed, to the extent otherwise allowable under applicable provisions of the Internal Revenue Code and regulations thereunder, on a return filed by the group of which the subsidiary was a member on the date of the disposition of subsidiary stock that gave rise to the suspended loss (or any successor group) for the taxable year that includes the day before the first date on which the subsidiary (or any successor) is not a member of such group or the date the group is allowed a worthless stock loss under section 165(g) (taking into account the provisions of § 1.1502-80(c)) with respect to all of the subsidiary member stock owned by members.

(ii) *No tiering up of certain adjustments.* No adjustments shall be made to a member's basis of stock of a subsidiary member (or any successor) for a suspended loss that is taken into account under paragraph (c)(5)(i) of this section. See § 1.1502-32T(a)(2).

(iii) *Statement of allowed loss.* Paragraph (c)(5)(i) of this section applies only if the separate statement required under this paragraph (c)(5)(iii) is filed with, or as part of, the taxpayer's return for the year in which the loss is allowable. The statement must be entitled "ALLOWED LOSS UNDER § 1.1502-35T(c)(5)" and must contain the name and employer identification number of the subsidiary the stock of which gave rise to the loss.

(6) *Special rule for dispositions of certain carryover basis assets.* If—

(i) A member of a group recognizes a loss on the disposition of an asset other than stock of a subsidiary member;

(ii) Such member's basis in the asset disposed of was determined, directly or indirectly, in whole or in part, by reference to the basis of stock of a subsidiary member and, at the time of the determination of the member's basis in the asset disposed of, there was a duplicated loss with respect to such stock of the subsidiary member; and

(iii) Immediately after the disposition, the subsidiary member is a member of such group, then such loss shall be suspended pursuant to the principles of paragraphs (c)(1) and (c)(2) of this section to the extent of the duplicated loss with respect to such stock at the time of the determination of basis of the asset disposed of. Principles similar to those set forth in paragraphs (c)(3), (c)(4), and (c)(5) of this section shall apply to a loss suspended pursuant to this paragraph (c)(6).

(7) *Coordination with loss deferral, loss disallowance, and other rules*—(i) *In general.* Loss recognized on the disposition of subsidiary member stock or another asset is subject to redetermination, deferral, or disallowance under other applicable provisions of the Internal Revenue Code and regulations thereunder, including sections 267(f) and 482. Paragraphs (c)(1), (c)(2), and (c)(6) of this section do not apply to a loss that is disallowed under any other provision. If loss is deferred under any other provision, paragraphs (c)(1), (c)(2), and (c)(6) of this section apply when the loss would otherwise be taken into account under such other provision. However, if an overriding event described in paragraph (c)(7)(ii) of this section occurs before the deferred loss is taken into account, paragraphs (c)(1), (c)(2), and (c)(6) of this section apply to the loss

immediately before the event occurs, even though the loss may not be taken into account until a later time.

(ii) *Overriding events.* For purposes of paragraph (c)(7)(i) of this section, the following are overriding events—

(A) The stock ceases to be owned by a member of the consolidated group;

(B) The stock is canceled or redeemed (regardless of whether it is retired or held as treasury stock); or

(C) The stock is treated as disposed of under § 1.1502-19(c)(1)(ii)(B) or (c)(1)(iii).

(8) *Application.* This paragraph (c) shall not be applied in a manner that permanently disallows a deduction for an economic loss, provided that such deduction is otherwise allowable. If the application of any provision of this paragraph (c) results in such a disallowance, proper adjustment may be made to prevent such a disallowance. Whether a provision of this paragraph (c) has resulted in such a disallowance is determined on the date on which the subsidiary (or any successor) the disposition of the stock of which gave rise to a suspended stock loss is not a member of the group or the date the group is allowed a worthless stock loss under section 165(g) (taking into account the provisions of § 1.1502-80(c)) with respect to all of such subsidiary member stock owned by members. Proper adjustment in such cases shall be made by restoring the suspended stock loss immediately before the subsidiary ceases to be a member of the group or the group is allowed a worthless stock loss under section 165(g) (taking into account the provisions of § 1.1502-80(c)) with respect to all of such subsidiary member stock owned by members, to the extent that its reduction pursuant to paragraph (c)(4) of this section had the result of permanently disallowing a deduction for an economic loss.

(9) *Ordering rule.* The rules of this paragraph (c) apply after the rules of paragraph (b) of this section and § 1.337(d)-2T are applied.

(d) *Definitions*—(1) *Disposition.* *Disposition* means any event in which gain or loss is recognized, in whole or in part.

(2) *Deconsolidation.* *Deconsolidation* means any event that causes a subsidiary member to no longer be a member of the consolidated group.

(3) *Value.* *Value* means fair market value.

(4) *Duplicated loss*—(i) *In general.* Duplicated loss is determined immediately after a disposition and equals the excess, if any, of—

(A) The sum of—
