7 CFR Part 770

RIN 0560-AG87

Revision of Indian Tribal Land Acquisition Program Loan Regulations

AGENCY: Farm Service Agency, USDA.

ACTION: Proposed rule.

SUMMARY: This rule proposes to clarify and revise the Indian Tribal Land Acquisition Program (ITLAP) regulations for borrowers who apply for a rental value write-down. The rule proposes to change the method for determining the rental value of security for purposes of a write-down, adds a definition of "rental value," clarifies other write-down eligibility provisions, and limits new loan eligibility for borrowers who have received a write-down in the past. These changes are intended to reduce the borrower's costs of applying for a rental value write-down, and reduce the burden on Agency employees in processing requests.

SUPPLEMENTARY INFORMATION:

Executive Order 12866

This rule has been determined under Executive Order 12866 to be not significant and was not reviewed by the Office of Management and Budget.

Regulatory Flexibility Act

The Agency certifies that this rule will not have a significant economic effect on a substantial number of small entities, because it does not require additional actions by the borrower. The Agency, therefore, is not required to perform a Regulatory Flexibility Analysis as required by the Regulatory Flexibility Act, Pub. L. 96-534, as amended (5 U.S.C. 601). This rule does not impact small entities to a greater extent than large entities.

Environmental Evaluation

The environmental impacts of this proposed rule have been considered in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4321 *et seq.*, the regulations of the Council on Environmental Quality (40 CFR Parts 1500-1508), and the FSA regulations for compliance with NEPA, 7 CFR parts 799, and 1940, subpart G. FSA completed an environmental evaluation and concluded the rule requires no further environmental review. No extraordinary circumstances or other unforeseeable factors exist which would require preparation of an environmental assessment or environmental impact statement. A copy of the environmental evaluation is available for inspection and review upon request.

Executive Order 12988

This rule has been reviewed in accordance with E.O. 12988, Civil Justice Reform. In accordance with that Executive Order: (1) All State and local laws and regulations that are in conflict with this rule will be preempted; (2) no retroactive effect will be given to this rule; and (3) administrative proceedings in accordance with 7 CFR parts 11 and 780 must be exhausted before requesting judicial review.

Executive Order 12372

As stated in the Notice related to 7 CFR part 3015, subpart V (48 FR 29115, June 24, 1983) the programs and activities within this rule do not require consultation with state and local officials under the scope of Executive Order 12372.

Unfunded Mandates

Title II of the Unfunded Mandates Reform Act of 1995 (UMRA), Pub. L. 104-4, requires Federal agencies to assess the effects of their regulatory actions on state, local, and tribal governments or the private sector of expenditures of \$100 million or more in any one year. This rule contains no Federal mandates, as defined by title II of the UMRA; therefore, this rule is not subject to sections 202 and 205 of the UMRA.

Executive Order 13132

The policies contained in this rule do not have any substantial direct effect on states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. Nor does this rule impose substantial direct compliance costs on state and local governments. Therefore, consultation with the states is not required.

Paperwork Reduction Act

The amendments to 7 CFR part 770 contained in this proposed rule require no revisions to the information collection requirements that were previously approved by OMB and assigned OMB control number 0560-0198 under the provisions of 44 U.S.C. chapter 35, nor do they significantly affect the aggregate information collection burden of the Agency. Removing the requirement for an appraisal and replacing it with a market value rent study report, which is much smaller in scope, reduces the amount of information provided by the appraiser at the expense of the borrower. The number of estimated annual respondents and the time burden to provide a copy of the report is the same.

Federal Assistance Program

The proposed changes affect the following program listed in the Catalog of Federal Domestic Assistance:
