#### SUPPLEMENTARY INFORMATION:

1. *Summary:* The U.S. Environmental Protection Agency (EPA or Agency) Science Advisory Board (SAB) is providing this notification of an upcoming teleconference call meeting of the Radiation Advisory Committee (RAC).

The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice, consultation, and recommendations to the EPA Administrator on the technical basis for Agency positions and regulations. This committee of the SAB will comply with the provisions of the Federal Advisory Committee Act (FACA) and all

appropriate SAB policies and procedures.

During the public conference call meeting, to take place at the date and time noted above, the RAC will discuss its proposals for self-initiated projects to be considered by the SAB in FY 2004. Self-initiated projects are scientific and technical projects proposed outside of the normal mechanism of Agency-requested consultations, advisories, and peer reviews. Such projects are intended to address critical needs for anticipatory or cross-cutting scientific/technical advice. All SAB self-initiated projects will be evaluated by the SAB's Executive Committee (EC) during a public conference call to be announced in May 2003.

2. *Availability of Meeting Materials:* A copy of the draft agenda for the meeting that is the subject of this notice will be posted on the SAB Web site (<http://www.epa.gov/sab>) (under the AGENDAs subheading) approximately 10 days before the conference call meeting. Other materials that may be available, such as draft proposals for SAB self-initiated projects to be considered at the RAC conference call meeting will also be posted on the SAB Website in this time-frame.

3. *Providing Oral or Written Comments at SAB Meetings:* It is the policy of the EPA Science Advisory Board (SAB) to accept written public comments of any length, and to accommodate oral public comments whenever possible. The EPA SAB expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements. *Oral Comments:* In general, each individual or group requesting an oral presentation at a face-to-face meeting will be limited to a total time of ten minutes (unless otherwise indicated). For conference call meetings, opportunities for oral comment will usually be limited to no more than three minutes per speaker and no more than fifteen minutes total. Interested parties should contact the Designated Federal Officer (DFO) at least one week prior to the meeting in order to be placed on the public speaker list for the meeting. Speakers may attend the meeting and provide comment up to the meeting time. Speakers should bring at least 35 copies of their comments and presentation slides for distribution to the reviewers and public at the meeting. *Written Comments:* Although the SAB accepts written comments until the date of the meeting (unless otherwise stated), written comments should be received in the SAB Staff Office at least one week prior to the meeting date so that the comments may be made available to the
