2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. Once in the system, select "search," then key in the appropriate docket ID number.

II. Background

A. What Action is the Agency Taking?

This notice constitutes and announces the closing of the comment period for the triallate RED. The Agency published a notice in the **Federal Register** of May 23, 2001 (66 FR 28469) (FRL-6775-9) and a correction in the **Federal Register** on June 25, 2001 (66 FR 33684) (FRL-6788-1) announcing the availability and start of a 60-day public comment period on the Reregistration Eligibility Decision document for the pesticide active ingredient triallate. This RED was issued as a final document with a 60-day comment period, which closed on July 23, 2001. In this RED, EPA provided its regulatory position on the current registered use of triallate and set forth certain data requirements and label amendments for product reregistration eligibility.

A copy of the triallate RED can be found under docket control number OPP-34226A or on the EPA website at <http://www.epa.gov/pesticides/reregistration/status.htm>.

B. What is the Agency's Authority for Taking this Action?

The legal authority for this RED falls under FIFRA, as amended in 1988 and 1996. Section 4(g)(2)(A) of FIFRA directs that, after submission of all data concerning a pesticide active ingredient, "the Administrator shall determine whether pesticides containing such active ingredients are eligible for reregistration," and either reregister products or take "other appropriate regulatory action."
