

VA and the applicant. Upon execution of the agreement, grant funds are obligated to cover the amount of the approved assistance subject to the availability of funding. Payments will be for services rendered and are contingent upon submission of documentation in the form of invoices or purchase agreements and contingent on inspections, as VA deems necessary. VA will make payments on its own schedule to reimburse for amounts expended.

(b) Except for increases in the rate of per diem, VA will not make revisions to increase the amount obligated for assistance under this part after the initial obligation of funds.

(c) VA will enforce the obligations under this part through such action as may be appropriate, including temporarily withholding cash payments pending correction of a deficiency.

(d) VA may deobligate all or parts of assistance awarded under this part:

(1) If the actual total costs for assistance is less than the total cost stated in the application, or

(2) If the recipient fails to comply with the requirements of this part.

(e) However, before determining whether to deobligate under paragraph (d)(2) of this section, VA will issue a notice of intent to terminate payments. The recipient will then have 30 days to submit documentation demonstrating why payments should not be terminated. After review of any such documentation, VA will issue a final decision concerning termination of payment.

(f) VA may also seek recovery under § 61.67 of this part where a capital grant recipient fails to provide supportive services and/or supportive housing for the minimum period of operation under § 61.67.

(g) Where a recipient has no control over causes for delays in implementing a project, VA may change the due date, as appropriate.

(h) Grant recipients that concurrently receive per diem and special needs payments shall not be paid more than 100 percent of the cost of the bed per day, product, operation, personnel, or service provided.

(i) No funds provided under this part may be used to replace Federal, State or local funds previously used, or designated for use, to assist homeless veterans.

(j) VA may obligate any recovered funds without fiscal year limitation.

§ 61.62 Program changes.

(a) Except as provided in paragraphs (b) through (d) of this section, a recipient may not make any significant changes to a project for which a grant has been awarded without prior VA approval. Significant changes include, but are not limited to, a change in the recipient, a change in the project site (including relocating, adding an annex, a branch, or other expansion), additions or deletions of activities, shifts of funds from one approved type of activity to another, and a change in the category of participants to be served.

(b) Recipients of grants exceeding \$100,000 for nonconstruction projects must receive prior VA approval for cumulative transfers among direct cost categories which exceed or are expected to exceed 10 percent of the current total approved budget.

(c) Recipients of grants for projects involving both construction and nonconstruction who are State or local governments must receive prior VA approval for any budget revision which would transfer funds between nonconstruction and construction categories.

(d) Approval for changes is contingent upon the application ranking remaining high enough after the approved change to have been competitively selected for funding in the year the application was selected.

(e) Any changes to an approved program must be fully documented in the recipient's records.

§ 61.63 Procedural error.

If an application would have been selected but for a procedural error committed by VA, VA will select that application for potential funding when sufficient funds become available if there is no material change in the information that resulted in its selection. A new application will not be required for this purpose.

§ 61.64 Religious organizations.

(a) As a condition for receiving assistance under this part, an organization that is primarily a religious organization must agree to conduct activities for which the assistance is provided in a manner that is free from religious influences and must comply with the following:

(1) It will not discriminate against any employee or applicant for employment on the basis of religion and will not limit employment or give preference in

§ 61.65 Inspections.

VA may inspect the facility and any records of an entity applying for or receiving assistance under this part at such times as are deemed necessary to determine compliance with the provisions of this part. The authority to inspect carries with it no authority over the management or control of any entity applying for or receiving assistance under this part.

(a) All recipients shall comply with applicable requirements of the Single Audit Act Amendments of 1996, as implemented by OMB Circular A-133.

(b) All entities receiving assistance under this part must use a financial management system that follows generally accepted accounting principals and provides accounting records, including cost accounting records that are supported by documentation. Such cost accounting must be reflected in the entity's fiscal cycle financial statements to the extent that the actual costs can be determined for the program for which assistance is provided. All entities receiving per diem under this part must monitor the accuracy of the costs used to determine payment amounts per veteran. Entities receiving assistance must meet the applicable requirements of the appropriate OMB Circular for Cost-Principles (A-122 or A-87).
