Notice of Initiation and Preliminary Results of Changed Circumstances Antidumping Duty Administrative Review, and Intent to Revoke Order in Part: Certain Cut-To-Length Carbon-Quality Steel Plate Products from Japan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of initiation and preliminary results of changed circumstances antidumping duty administrative review and intent to revoke order in part.

SUMMARY: In accordance with section 751(b) of the Tariff Act of 1930, as amended (the Act), and section 351.216(b) of the Department of Commerce's (the Department's) regulations, NKK Corporation (NKK) and Mitsubishi International Steel, Inc. (MISI) filed a request for a changed circumstances review of the antidumping duty order on certain cut-to-length carbon-quality steel plate products (CTL plate) from Japan. Specifically, NKK and MISI request that the Department revoke the antidumping duty order with respect to two abrasion-resistant steel products produced by NKK that are described below. The domestic industry has affirmatively expressed no interest in the continuation of the order with respect to these products. In response to the request, the Department is initiating a changed circumstances review and issuing a notice of intent to revoke, in part, the antidumping duty order on CTL plate from Japan. Interested parties are invited to comment on these preliminary results.

EFFECTIVE DATE: January 10, 2003.
