Analysis of Comments Received

All issues raised in the case and rebuttal briefs filed by parties to these new shipper reviews are addressed in the *Issues and Decision Memorandum for the Final Rescission of the New Shipper Review of Freshwater Crawfish Tail Meat from the People's Republic of China for North Supreme Seafood and for the Final Results of the New Shipper Review of Freshwater Crawfish Tail Meat from the People's Republic of China for Shouzhou Huaxiang*, dated January 2, 2003 (*Decision Memo*), which is hereby adopted by this notice.

A list of the issues which parties have raised and to which we have responded, all of which are in *Decision Memo*, is attached to this notice as an appendix. Parties can find a complete discussion of all issues raised in these reviews and the corresponding recommendations in this public memorandum, which is on file in the Central Records Unit, room B-099 of the main Commerce Building. In addition, a complete version of *Decision Memo* can be accessed directly on the internet at <http://ia.ita.doc.gov>. The paper copy and electronic version of *Decision Memo* are identical in content.

Changes Since the Preliminary Results

Based on our analysis of comments received, we have made one change in the margin calculation for Shouzhou

Huaxiang. We have removed from our calculation of normal value an offset for the production and sale of crawfish scrap. For a discussion of the issues for each company, refer to the *Decision Memo*. Since we are rescinding the new shipper review with respect to North Supreme, North Supreme will be subject to the PRC-wide rate.

Valuation of Crawfish Input

For this final decision in these crawfish new shipper reviews, we are using the trade statistics for whole live freshwater crawfish imports into Spain from Portugal, for September 1, 2000, through August 31, 2001, as published by the Agencia Estatal de Administracion Tributaria on its website on October 7, 2002. See *Memorandum Re: Final Data for the Surrogate Valuation of Whole Live Freshwater Crawfish, From Adina Teodorescu, Case Analyst, Office of AD/CVD Enforcement VII, Through Maureen Flannery, Program Manager, Office of AD/CVD Enforcement VII, To the File*, dated (November 19, 2002).

Rescission of New Shipper Review for North Supreme

In order to sustain a new shipper review, the exporter or producer must show that there was a *bona fide* first sale to the United States in accordance with 19 CFR 351.214(b)(2)(iv)(C). In these new shipper reviews, we have examined

the *bona fides* of the sales under review for North Supreme and Shouzhou Huaxiang. See *Memorandum to Joseph A. Spetrini through Barbara E. Tillman: Freshwater Crawfish Tail Meat from The People's Republic of China: Whether the Sales in the New Shipper Review of North Supreme Are Bona Fide*, dated January 2, 2003 (*North Supreme Memo*).

Because much of the information relied upon in our analysis of whether these North Supreme's sales were *bona fide* is business proprietary, our full analysis is contained in the *North Supreme Memo*. For the reasons discussed therein and in the accompanying *Issues and Decision Memo*, we find that the new shipper sales made by North Supreme were not *bona fide*. North Supreme's new shipper sales were commercially unreasonable, were atypical of normal business practices, and were at prices and quantities that did not reflect its normal business practices. Therefore it is appropriate to rescind this new shipper review for North Supreme. For Shouzhou Huaxiang, we find that its sales were *bona fide*. Our reasoning is set forth in the *Department's Position on Comment 1* in the *Decision Memo*.

Final Results of Review

We determine that the following weighted-average margins exist for the period September 1, 2000 through August, 2001 for Shouzhou Huaxiang:

Manufacturer and Exporter	Time Period	Margin (percent)
Shouzhou Huaxiang	9/1/00–8/31/01	15.44

Assessment Rates

The Department will determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated an exporter/importer (or customer)-specific assessment rate for merchandise subject to this review for Shouzhou Huaxiang. For North Supreme, the assessment rate will be the cash deposit rate at which the merchandise was entered. The Department will issue appropriate assessment instructions directly to the Customs Service within 15 days of publication of these final results of review. We will direct the Customs Service to assess the resulting assessment rates against the entered customs values for the subject merchandise on each of the importer's/customer's entries during the review period.

Cash Deposit Requirements

Bonding will no longer be permitted to fulfill security requirements for shipments from North Supreme Seafood and Shouzhou Huaxiang of freshwater crawfish tail meat from the PRC entered, or withdrawn from warehouse, for consumption in the United States on or after the publication of this notice in the **Federal Register**. The following cash deposit requirements will be effective upon publication of these final results for this administrative review for all shipments of freshwater crawfish tail meat from the PRC entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act. For crawfish tail meat produced and exported by Shouzhou Huaxiang, we will establish a per kilogram cash deposit rate which will be equivalent to the company-specific cash deposit established in this

review. For crawfish tail meat exported by North Supreme, since we are rescinding the review, we will apply as the cash deposit rate the PRC-wide rate, which is currently 223.01 percent. There are no changes to the rates applicable to any other company under this order.

The Department will disclose calculations performed in connection with these final results of reviews within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent
