Terms and Conditions of Certificate

1. In engaging in export trade activities and methods of operation, neither CRA, any member, the administrator, nor any neutral third-party shall intentionally disclose, directly or indirectly, to any member (including parent companies, subsidiaries, or other entities related to any member) any information regarding any other member's costs, production, inventories, domestic prices, domestic sales, domestic customers, capacity to produce HFCS for domestic sale, domestic orders, terms of domestic marketing or sale, or U.S. business plans, strategies, or methods, unless such information is already generally available to the trade or public.

The Secretary of Commerce will request such information or documents when either the Attorney General or the Secretary of Commerce believes that the information or documents are required to determine that the export trade, export trade activities and methods of operation of a person protected by this Certificate of Review continue to comply with the standards of section 303(a) of the Act.

Submission for OMB Review; Comment Request

The United States Patent and Trademark Office (USPTO) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: United States Patent and Trademark Office (USPTO).

Title: Payment of Patent and Trademark Office Fees by Credit Card.

Form Number(s): PTO-2038.

Agency Approval Number: 0651-0043.

Type of Request: Revision of a currently approved collection.

Burden: 29,497 hours annually.

Number of Respondents: 327,308 responses per year.

Avg. Hours Per Response: The USPTO estimates that it will take the public approximately 12 minutes (0.2 hours) to gather the necessary information, prepare, and submit the Credit Card Payment Form or 2 minutes (0.03 hours) to prepare and submit the Electronic Credit Card Payment Form.

Needs and Uses: The USPTO charges fees for processing and other services related to patents, trademarks, and information products, which may be paid by credit card. The Electronic Credit Card Payment Form is being added to this collection and allows the public to submit credit card payments online. The public uses this collection to submit credit card information in order to pay various fees and to indicate the purpose of the payment being submitted. The USPTO uses this information to determine whether the appropriate fee amount has been submitted and to process these credit card payments. The use of separate credit card payment forms is necessary in order to protect the confidentiality of the submitted credit card information and exclude this information from the patent and trademark records that are open to public inspection.

Affected Public: Individuals or households, businesses or other for-profits, not-for-profit institutions, farms, the Federal Government, and state, local, or tribal governments.
