OVERSEAS PRIVATE INVESTMENT CORPORATION

Agency Report Form Under OMB Review

AGENCY: Overseas Private Investment Corporation.

ACTION: Request for comments.

SUMMARY: Under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35), agencies are required to publish a Notice in the **Federal Register** notifying the public that the Agency has prepared an information collection request for OMB review and approval and has requested public review and comment on the submission. OPIC published its first **Federal Register** Notice on this information collection request on January 15, 2003, in 66 FR 10331, at which time a 60-calendar day comment period was announced. This comment period ended March 17, 2003. No comments were received in response to this notice.

This information collection submission has now been submitted to OMB for review. Comments are again being solicited on the need for the information, its practical utility, the accuracy of the Agency's burden estimate, and on ways to minimize the reporting burden, including automated collection techniques and uses of other forms of technology. The proposed form under review is summarized below.

DATES: Comments must be received within 30-calendar days of this Notice.

ADDRESSES: Copies of the subject form and the request for review submitted to OMB may be obtained from Agency Submitting Officer. Comments on the form should be submitted to the OMB Reviewer.

SUPPLEMENTARY INFORMATION:

I. Introduction

Notice is hereby given that on March 14, 2003, the United States Postal Service filed a formal request with the Postal Rate Commission, pursuant to 39 U.S.C. 3623, seeking a recommended decision on a proposed minor classification change for a new Standard Mail option referred to as Customized Market Mail (CMM). The Service's designation of its request as a minor classification change signals its interest in application of procedural rules that allow for expedited consideration and issuance of a Commission decision, if no hearing is required, within 90 days. Request of the United States Postal Service for a Recommended Decision on Customized Market Mail Minor Classification Changes, March 14, 2003 (Request).

The proposal relaxes Standard Mail's longstanding restriction to rectangular pieces. It would allow certain non-rectangular or other nonstandard-shaped pieces to be sent as Standard Mail, subject to certain conditions. These include complying with packaging and other preparation requirements and shipping CMM directly to the destination delivery unit, thereby bypassing intermediate handlings.

The proposal entails minor changes to the Domestic Mail Classification Schedule (DMCS) and the addition of new footnotes to Standard Mail Rate Schedules 321A and 323A. The Service asserts that the changes would not have a significant effect on the Postal
