Consisting of 1,103.76 acres, gross.

In addition to the lands described herein, parcels that have been published in a previous Notice of Realty Action (NORA), and were previously offered but did not sell, may be re-offered at this sale.

When the land is sold, conveyance of the locatable mineral interests will occur simultaneously with the sale of the land. The locatable mineral interests being offered have no known mineral value. Acceptance of a sale offer will constitute an application for conveyance of those mineral interests. In conjunction with the final payment, the applicant will be required to pay a \$50.00 non-refundable filing fee for processing the conveyance of the locatable mineral interests.

The terms and conditions applicable to the sale are as follows:

#### All Parcels are Subject to the Following

1. All leaseable and saleable mineral deposits are reserved on land sold; permittees, licensees, and lessees retain the right to prospect for, mine, and remove the minerals owned by the United States under applicable law and any regulations that the Secretary of the Interior may prescribe, including all necessary access and exit rights.
2. A right-of-way is reserved for ditches and canals constructed by authority of the United States under the Act of August 30, 1890 (43 U.S.C. 945).
3. All land parcels are subject to all valid existing rights. Parcels may also be subject to applications received prior to publication of this Notice if processing the application would have no adverse effect on the appraised FMV. Encumbrances of record are available for review during business hours, 7:30 a.m. to 4:15 p.m., PDT, Monday through Friday, at the Bureau of Land

Management, Las Vegas Field Office, 4701 N. Torrey Pines Drive, Las Vegas, NV.

4. All land parcels are subject to reservations for roads, public utilities and flood control purposes, both existing and proposed, in accordance with the local governing entities' Transportation Plans.

5. All purchasers/patentees, by accepting a patent, agree to indemnify, defend, and hold the United States harmless from any costs, damages, claims, causes of action, penalties, fines, liabilities, and judgments of any kind or nature arising from the past, present, and future acts or omissions of the patentee or their employees, agents, contractors, or lessees, or any third-party, arising out of or in connection with the patentee's use, occupancy, or operations on the patented real property. This indemnification and hold harmless agreement includes, but is not limited to, acts and omissions of the patentee and their employees, agents, contractors, or lessees, or any third party, arising out of or in connection with the use and/or occupancy of the patented real property which has already resulted or does hereafter result in: (1) Violations of Federal, state, and local laws and regulations that are now or may in the future become, applicable to the real property; (2) Judgments, claims or demands of any kind assessed against the United States; (3) Costs, expenses, or damages of any kind incurred by the United States; (4) Other releases or threatened releases of solid or hazardous waste(s) and/or hazardous substances(s), as defined by Federal or state environmental laws; off, on, into or under land, property and other interests of the United States; (5) Other activities by which solids or hazardous substances or wastes, as defined by Federal and state environmental laws are generated, released, stored, used or otherwise disposed of on the patented real property, and any cleanup response, remedial action or other actions related in any manner to said solid or hazardous substances or wastes; or (6) Natural resource damages as defined by Federal and state law. This covenant shall be construed as running with the patented real property and may be enforced by the United States in a court of competent jurisdiction.

Maps delineating the individual sale parcels will be available for public review at the BLM Las Vegas Field Office. Appraisals for each parcel will be available for public review at the Las Vegas Field Office on or about April 7, 2003.

Each parcel will be offered by sealed bid, and at oral auction. All sealed bids
