

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

OneChicago has prepared statements concerning the purpose of, and basis for, the proposed rule change, burdens on competition, and comments received from members, participants, and others. The text of these statements may be examined at the places specified in item IV below. These statements are set forth in sections A, B, and C below.

### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

OneChicago proposes to amend OneChicago rules 414(a) and 902(f) relating to position limits to reference CFTC Regulation 41.25.<sup>5</sup> The proposed rule change would permit OneChicago to set position limits on futures on a single security consistent with CFTC Regulation 41.25.<sup>6</sup>

#### 2. Statutory Basis

OneChicago believes that the proposed rule change is consistent with CFTC Regulation 41.25<sup>7</sup> and with section 6(b)(5) of the Act<sup>8</sup> in that it promotes competition, is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and to protect investors and the public interest.

### B. Self-Regulatory Organization's Statement on Burden on Competition

OneChicago does not believe that the proposed rule change will have an impact on competition because the proposed rule change is referencing a CFTC Regulation, which is applicable to all security futures participants equally.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Comments on the proposed rule change have not been solicited nor have any comments been received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective on February 11, 2003. Within 60 days of the date of effectiveness of the proposed rule change, the Commission, after consultation with the

CFTC, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of section 19(b)(1) of the Act.<sup>9</sup>

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change conflicts with the Act. Persons making written submissions should file nine copies of the submission with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments also may be submitted electronically to the following e-mail address: [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of these filings also will be available for inspection and copying at the principal office of OneChicago. Electronically submitted comments will be posted on the Commission's Internet website (<http://www.sec.gov>). All submissions should refer to File No. SR-OC-2003-03 and should be submitted by April 21, 2003.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>10</sup>
