A copy is also available for inspection and reproduction at the address in item g above.

m. *Scoping Process*: The Commission intends to prepare an Environmental Impact Statement (EIS) on the project in accordance with the National Environmental Policy Act. The EIS will consider both site-specific and cumulative environmental impacts and reasonable alternatives to the proposed action.

PGE and Commission staff conducted scoping prior to PGE's preparation of a draft environmental assessment that was filed with the Commission as part of the surrender application. Scoping document 1 was issued on July 30, 1999, and scoping document 2 was issued on November 4, 1999. Scoping meetings were held on September 1, 1999. We are requesting comments on any additional issues or alternatives that should be analyzed in the EIS.

Magalie R. Salas,
Secretary.

Once in the system, select "search," then key in the docket ID number identified above.

Any comments related to this ICR should be submitted to EPA and OMB within 30 days of this notice, and according to the following detailed instructions: (1) Submit your comments to EPA online using EDOCKET (our preferred method), by e-mail to a-and-r-docket@epa.gov, or by mail to: EPA Docket Center, Environmental

Protection Agency, Mailcode: 6102T, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001, and (2) Mail your comments to OMB at: Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), Attention: Desk Officer for EPA, 725 17th Street, NW., Washington, DC 20503.

EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EDOCKET as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose public disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EDOCKET. The entire printed comment, including the copyrighted material, will be available in the public docket.

Although identified as an item in the official docket, information claimed as CBI, or whose disclosure is otherwise restricted by statute, is not included in the official public docket, and will not be available for public viewing in EDOCKET. For further information about the electronic docket, see EPA's **Federal Register** notice describing the electronic docket at 67 FR 38102 (May 31, 2002), or go to www.epa.gov/edocket.

Title: *Fuels and Fuel Additives—Health-Effects Research Protocols—40 CFR part 79, subpart F*, (OMB Control Number 2060-0297, EPA ICR Number 1696.04). This is a request to renew an existing approved collection that is scheduled to expire on May 31, 2003. Under OMB regulations, the Agency may continue to conduct or sponsor the collection of information while this submission is pending at OMB.

Abstract: In accordance with the regulations at 40 CFR part 79, subparts A, B, C, and D, Registration of Fuels and Fuel Additives, manufacturers (including importers) of gasoline and diesel fuel, and manufacturers (including importers) of additives for gasoline or diesel fuel, are required to have their products registered by EPA prior to their introduction into commerce. Registration involves providing a chemical description of the fuel or additive, and certain technical, marketing, and health-effects information. The development of health-effects data, as required by 40 CFR part 79, subpart F, is the subject of this ICR. The information collection requirements for subparts A through D, and the supplemental notification requirement of subpart F (indicating how the manufacturer will satisfy the
