

request of the permittee are contained in § 270.42(a)–(c). Section 270.42(d) allows permittees to request that the Agency determine the classification for a specific modification. Sections 270.42(e) and (g) discuss requirements for temporary authorization and permit modifications for newly regulated wastes and units, respectively.

In 40 CFR part 264, subpart S, EPA promulgated regulations for corrective action management units (CAMUs). 40 CFR 264.552(d) requires owner/operators to prepare and submit information that enables EPA to designate a CAMU.

Requirements for permit renewal are contained in §§ 270.50 and 270.51. In order to renew an expiring permit, owner/operators must submit an application containing the information required under § 270.14 and the applicable sections of §§ 270.15 through 270.29.

Sections 270.60 and 270.62 through 270.65 address the requirements associated with special types of permits. These include permits by rule (§ 270.60); hazardous waste incinerator permits (§ 270.62); permits for land treatment demonstrations using field test or laboratory analyses (§ 270.63); interim permits for UIC wells (§ 270.64); and research, development and demonstration permits (§ 270.65).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR chapter 15. The **Federal Register** document required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on July 23, 1999 (64 FR 39986); no comments were received.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 165 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources;

complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Business.

Estimated Number of Respondents: 74.

Frequency of Response: Occasional.
Estimated Total Annual Hour Burden: 12,209 hours.

Estimated Total Annualized Capital, Operating/Maintenance Cost Burden: \$2,468,000.

Changes in the Estimates: There is a decrease of 165,523 hours in the total estimated burden currently identified in the OMB Inventory of Approved ICR Burdens. This is due to a lower number of affected facilities.

Dated: March 25, 2003.
