

Amendment to the Agreement, dated November 21, 2002.

MidAmerican states it has served a copy of the filing on the Iowa Utilities Board, the Illinois Commerce Commission and the South Dakota Public Utilities Commission.

*Comment Date:* April 14, 2003.

#### **11. Victory Garden Phase IV Partnership**

[Docket No. QF90-43-006]

Take notice that on March 20, 2003, Victory Garden Phase IV Partnership (VGIV) filed with the Federal Energy Regulatory Commission (Commission) an application for recertification of a facility as a qualifying small power production facility pursuant to Section 292.207 of the Commission's regulations. No determination has been made that the submittal constitutes a complete filing. VGIV states that the facility is a 22 MW wind energy generating facility in the Tehachapi Mountains, Kern County, California. VGIV also states that the facility is interconnected with the Southern California Edison Company. VGIV further states that recertification is sought to reflect a change in the upstream ownership of the Facility.

*Comment Date:* April 21, 2003.

#### **12. Sky River Partnership**

[Docket No. QF91-59-007]

Take notice that on March 20, 2003, Sky River Partnership (Sky River) filed with the Federal Energy Regulatory Commission (Commission) an application for recertification of a facility as a qualifying small power production facility pursuant to section 292.207 of the Commission's regulations. No determination has been made that the submittal constitutes a complete filing. Sky River states that the facility is a 77.5 MW wind energy generating facility in the Tehachapi Mountains, Kern County, California. Sky River also states that the facility is interconnected with the Southern California Edison Company. Sky River further states that recertification is sought to reflect a change in the upstream ownership of the Facility.

*Comment Date:* April 21, 2003.

#### **13. Cabazon Power Partners LLC**

[Docket No. QF95-186-006]

Take notice that on March 20, 2003, Cabazon Power Partners LLC (Cabazon) filed with the Federal Energy Regulatory Commission (Commission) an application for recertification of a facility as a qualifying small power production facility pursuant to section 292.207 of the Commission's

regulations. No determination has been made that the submittal constitutes a complete filing. Cabazon states that the facility is a 39.75 MW wind energy generating facility in Cabazon, Riverside County, California. Cabazon also states that the facility is interconnected with the Southern California Edison Company. Cabazon further states that recertification is sought to reflect a change in the upstream ownership of the Facility.

*Comment Date:* April 21, 2003.

#### **14. Victory Garden Power Partners I LLC**

[Docket No. QF99-92-002]

Take notice that on March 20, 2003, Victory Garden Power Partners I LLC (VGI) filed with the Federal Energy Regulatory Commission (Commission) an application for recertification of a facility as a qualifying small power production facility pursuant to section 292.207 of the Commission's regulations. No determination has been made that the submittal constitutes a complete filing. VGI states that the facility is a 6.75 MW wind energy generating facility in the Tehachapi Mountains, Kern County, California. VGI also states that the facility is interconnected with the Southern California Edison Company. VGI further states that recertification is sought to reflect a change in the upstream ownership of the Facility.

*Comment Date:* April 21, 2003.

#### **15. PJM Interconnection, L.L.C.**

[Docket No. RT01-2-006]

Take notice that on March 20, 2003, PJM Interconnection, L.L.C. (PJM) tendered for filing with the Federal Energy Regulatory Commission (Commission) in compliance with the Commission's order of December 20, 2002, in the captioned proceeding, 100 FERC ¶ 61,345, (1) revised pages to the Amended and Restated Operating Agreement of PJM Interconnection, L.L.C. and to the PJM Open Access Transmission Tariff, and (2) complete, revised volumes of the PJM Tariff, Operating Agreement, Reliability Assurance Agreement Among Load Serving Entities in the PJM Control Area and the PJM West Reliability Assurance Agreement.

PJM states that copies of this filing, excluding the full revised PJM Tariff, Operating Agreement, RAA and West RAA, have been served on all parties, as well as on all PJM Members and the state electric utility regulatory commissions in the PJM region. PJM states that it will promptly post the complete revised volumes of the PJM

Tariff, Operating Agreement, RAA and West RAA on PJM's Web site (<http://www.pjm.com>) and will deliver a hard copy of any or all of those documents to any person upon request. PJM requests that the Commission waive the service requirements of its Rule 2010(a), 18 CFR 385.2010(a), to the extent necessary to accommodate these arrangements.

*Comment Date:* April 21, 2003.

#### **Standard Paragraph**

Any person desiring to intervene or to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. All such motions or protests should be filed on or before the comment date, and, to the extent applicable, must be served on the applicant and on any other person designated on the official service list. This filing is available for review at the Commission or may be viewed on the Commission's Web site at <http://www.ferc.gov>, using the "FERRIS" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC Online Support at [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov) or toll-free at (866)208-3676, or for TTY, contact (202)502-8659. Protests and interventions may be filed electronically via the Internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.
