

defined by section 773(a)(1)(B)(i) of the Act.

Home market prices were based on ex-factory prices. We reduced NV for packing costs incurred in the home market, in accordance with section 773(a)(6)(B)(i), and increased NV to account for U.S. packing expenses in accordance with section 773(a)(6)(A). We also made adjustments for differences in circumstances of sale (COS) in accordance with 773(a)(6)(C)(iii) of the Act and 19 CFR 351.410, by deducting home market direct selling expenses (*i.e.*, imputed credit) and adding U.S. direct selling expenses (*i.e.*, imputed and bank charges, where applicable).

#### Currency Conversion

We made currency conversions in accordance with section 773A of the Act based on the official exchange rates in effect on the dates of the U.S. sales as certified by the Federal Reserve Bank.

#### Preliminary Results of the Review

Manufacture/exporter	Margin (percent)
PT Eka Timur Raya .....	0.00
PT Karya Kompos Bagas .....	0.00

Any interested party may request a hearing within 30 days of publication. See 19 CFR 351.310(c). If requested, a hearing will be held 44 days after the date of publication of this notice, or the first work day thereafter.

Interested parties who wish to request a hearing or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, Room B-099. #### Assessment Rates

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. For assessment purposes, we do not have the actual entered values for all sales made by Etira. Accordingly, we intend to calculate customer-specific assessment rates by aggregating any dumping margins calculated for all of Etira's U.S. sales examined and dividing the respective amount by the total quantity of the sales examined. To determine whether the duty assessment rates are *de minimis* (*i.e.*, less than 0.50 percent), in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we will calculate importer-specific *ad valorem* ratios based on export prices. With respect to KKB, we intend to calculate importer-specific assessment rates for the subject merchandise by aggregating any dumping margins calculated for the examined sales and dividing this amount by the total entered value of the sales examined.

The Department will issue appropriate appraisement instructions directly to the Customs Service upon completion of this review. We will instruct the Customs Service to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis* (*i.e.*, less than 0.50 percent). See 19 CFR 351.106(c)(1). The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

#### Cash Deposit Requirements

Bonding will no longer be permitted to fulfill security requirements for shipments from Etira or KKB of certain preserved mushrooms from Indonesia entered or withdrawn from warehouse, for consumption on or after the publication date of the final results of

the new shipper review. Furthermore, the following cash deposit requirements will be effective upon publication of the final results of the new shipper review for all shipments of subject merchandise from Etira or KKB entered, or withdrawn from warehouse, for consumption on or after the publication date: (1) for subject merchandise manufactured and exported by Etira or KKB, no cash deposit will be required if the cash deposit rates calculated in the final results are zero or *de minimis*; and (2) for subject merchandise exported by Etira or KKB but not manufactured by them, the cash deposit rate will be 11.26 percent, the "All Others" rate made effective by the LTFV investigation. These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review and notice are published in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act and 19 CFR 351.214.

Dated: March 27, 2003.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
