**EXHIBIT D: PRIORITY GROUP 4 APPLICATIONS ONLY**

---

In accordance with **Section XI(A)(2)(d)(ii)** of the NOFA:

1. Provide an analysis of TDC/HCC of the current Revitalization Grant. Use FY 2001 TDC Limits, as provided in Notice PIH 01-22. This Notice is available on the HOPE VI website.
2. Provide an analysis to TDC/HCC of the current Revitalization Grant plus the requested Demolition Grant. Use TDC figures as described above.
3. If this HOPE VI Demolition Grant Application targets units that were targeted for demolition in the original HOPE VI Revitalization application (regardless of any subsequent budget changes), provide a description of the use that will be made of Revitalization Grant funds that would be freed up if this Demolition Grant were awarded.
  - a. If the analysis in (1) above indicates that the Revitalization grant is below TDC/HCC, any dollars freed up as a result of the proposed additional demolition grant funds may be used for any construction costs, up to the project's TDC/HCC limit.
  - b. If the analysis in (1) above indicates that the Revitalization grant is below or at TDC/HCC, the dollars freed up from the proposed additional demolition grant funds may be used for the demolition of additional units or for Community Renewal costs such as Extraordinary Site Costs that fall outside of HCC.
