

**EXHIBIT I: NONDWELLING STRUCTURES CERTIFICATION**

---

If you are requesting funds for the demolition of nondwelling structures in your budget, those costs must be justified and verified by an engineer or architect licensed by his or her state licensing board who is not an employee of the housing authority or the city. See **Section VI(A)(3)** of the NOFA for examples of nondwelling structures. You must include in your application a completed Nondwelling Structures Cost Certification and the required attachment.
