

**NONDWELLING STRUCTURES COST CERTIFICATION**

I hereby certify that:

1. I am licensed as an engineer \_\_\_\_\_ or architect \_\_\_\_\_ (check one) by the licensing board for the state in which the public housing project identified below is located.
2. I am not an employee of the applicant public housing authority or unit of local government in which the public housing project identified below is located.
3. Costs to demolish significant nondwelling structures may be incurred in conjunction with the demolition of severely distressed public housing as part of a HOPE VI Demolition Grant Application. Examples of eligible demolition costs related to significant nondwelling structures include, but are not limited to, the demolition of heating plants, community buildings, or streets on the site of the severely distressed project.
4. I have reviewed the attached description and calculation of costs for the demolition of significant nondwelling structures related to the demolition of dwelling units at the site identified below, as requested by the applicant Housing Authority listed below, and affirm that those costs qualify as allowable nondwelling structures costs (as defined in Paragraph 3 above) and are justified and reasonable in light of my assessment of the site of the project and the proposed work to be completed.
