SUPPLEMENTARY INFORMATION: The purpose of the amendment is to facilitate the conveyance of public land containing the Burns Butte Shooting Range to the Burns Butte Sportsman's Club (Club). The Club has leased the land pursuant to the Recreation and Public Purposes Act of June 14, 1926, as amended (43 U.S.C. 869 *et seq.*) since 1992, and has fully developed the range in accordance with their approved plan of development. They have now made application to purchase the land under the Act. The existing RMP identifies the land for retention (Land Tenure Zone 1). If the plan amendment is approved the land will be rezoned for disposal through appropriate sale authorities (Land Tenure Zone 3).

The following described land is the subject of this proposed plan amendment and is being examined for classification and conveyance under the Recreation and Public Purposes Act:

Willamette Meridian

T.23S., R.30E.

Sec. 21, NE¼, N½SE¼.

The land described above aggregates 240 acres in Harney County, Oregon.

When completed, the EA and, if appropriate, Finding of No Significant Impact, will be available for a 30-day comment period.

There are no known significant issues related to this project as a change in land ownership is not expected to alter existing land uses. The interdisciplinary team will include, at a minimum, specialists in land use planning, realty, recreation, wildlife biology, and hazardous materials.

Comments, including names and addresses of commentors, will be available for public review. Individual respondents may request confidentiality. If you wish to withhold your name and/or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment.
