

Reform Act of 1995 (UMRA) (Public Law 104-4).

This final rule will not have substantial direct effects on the States or on one or more Indian tribes, on the relationship between the national government and the States or one or more Indian tribes, or on the distribution of power and responsibilities among the various levels of government or between the Federal government and Indian tribes. As such, this action does not have any "federalism implications" as described in Executive Order 13132, entitled *Federalism* (64 FR 43255, August 10, 1999), or any "tribal implications" as described in Executive Order 13175, entitled *Consultation and Coordination with Indian Tribal Governments* (65 FR 67249, November 6, 2000).

Since this final rule is not a "significant regulatory action" as defined by Executive Order 12866, it does not require OMB review or any Agency action under Executive Order 13045, entitled *Protection of Children from Environmental Health Risks and Safety Risks* (62 FR 19885, April 23, 1997), and is not subject to Executive Order 13211, *Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use* (66 FR 28355, May 22, 2001).

This action does not involve any technical standards that require the Agency's consideration of voluntary consensus standards pursuant to section 12(d) of the National Technology Transfer and Advancement Act of 1995 (NTTAA), Public Law 104-113, section 12(d) (15 U.S.C. 272 note).

This action will not result in environmental justice related issues and does not, therefore, require special consideration under Executive Order 12898, entitled *Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations* (59 FR 7629, February 16, 1994) or Executive Order 12630, entitled *Governmental Actions and Interference with Constitutionally Protected Property Rights* (53 FR 8859, March 15, 1988).

In issuing this final rule, EPA has taken the necessary steps to eliminate drafting errors and ambiguity, minimize potential litigation, and provide a clear legal standard for affected conduct, as required by section 3 of Executive Order 12988, entitled *Civil Justice Reform* (61 FR 4729, February 7, 1996).

V. Congressional Review Act

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the

agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this final rule in the **Federal Register**. This final rule is not a "major rule" as defined by 5 U.S.C. 804(2).

List of Subjects in 40 CFR Part 180

Environmental protection, Administrative practice and procedure, Agricultural commodities, Pesticides and pests, Reporting and record keeping requirements.

Dated: March 17, 2003.

James Jones

Director, Office of Pesticide Programs.

■ Therefore, 40 CFR part 180 is corrected as follows:

PART 180—[AMENDED]

■ 1. The authority citation for part 180 continues to read as follows:

Authority: 21 U.S.C. 321(q), 346(a) and 371.

■ 2. In FR Doc. 03-3843, published in the **Federal Register** of February 19, 2003, (68 FR 7939) (FRL-7278-6), in the 3rd column, the number 2 instruction is corrected to read "2. Section 180.1225 is added to subpart D to read as follows:" and that the section heading is corrected to read as follows:

§ 180.1225 Decanoic acid; exemption from the requirement of a tolerance.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 271

[FRL-7479-1]

Oklahoma: Final Authorization of State Hazardous Waste Management Program Revisions

AGENCY: Environmental Protection Agency (EPA)

ACTION: Immediate final rule.

SUMMARY: The State of Oklahoma has applied for Final authorization of the changes to its Hazardous Waste Program under the Resource Conservation and Recovery Act (RCRA). The EPA has determined that these revisions satisfy all requirements needed to qualify for Final authorization, and is authorizing

the State's changes through this immediate final action. The EPA is publishing this rule to authorize the revisions without a prior proposal because we believe this action is not controversial and do not expect comments that oppose it. Unless we get adverse comments which oppose this authorization during the comment period, the decision to authorize the Oklahoma Department of Environmental Quality's (ODEQ) revisions to their hazardous waste program will take effect. If adverse comments are received, we will publish a document in the **Federal Register** either: A withdrawal of the immediate Final decisions and a separate document in the proposed rules section of this **Federal Register** will serve as a proposal to authorize the changes, or a document containing a response to comments and which either affirms that the immediate Final decision takes effect or reverses the decision.

EFFECTIVE DATE: This immediate final rule is effective on June 9, 2003, unless EPA receives adverse written comments by May 9, 2003. Should EPA receive such comments, it will publish a timely document either: Withdrawing the immediate final publication or affirming the publication and responding to comments.

ADDRESSES: Written comments, referring to Docket Number OK-01-03, should be sent to Alima Patterson Region 6 Regional Authorization Coordinator, Grants and Authorization Section (6PD-G), Multimedia Planning and Permitting Division, EPA Region 6, 1445 Ross Avenue, Dallas, Texas 75202-2733. Copies of Oklahoma program revision application and the materials which EPA used in evaluating the revisions are available for inspection and copying from 8:30 a.m. to 4 p.m. Monday through Friday at the following address: Oklahoma Department of Environmental Quality, 707 North Robinson, Oklahoma City, Oklahoma 73101-1677, (405) 702-7180 and EPA Region 6, 1445 Ross Avenue, Dallas, Texas 75202-2733, (214) 665-6444.

FOR FURTHER INFORMATION CONTACT: Alima Patterson (214) 665-8533.

SUPPLEMENTARY INFORMATION:

A. Why Are Revisions to State Programs Necessary?

States that receive final authorization from EPA under RCRA section 3006(b), 42 U.S.C. 6926(b), must maintain a hazardous waste program that is equivalent to, consistent with, and no less stringent than the Federal Hazardous Waste Program. As the Federal program changes, States must
