

including an analysis of the incident together with a discussion of the key findings, root and contributing causes, and draft recommendations.

Recommendations are issued by a vote of the Board and address an identified safety deficiency uncovered during the investigation, and specify how to correct the situation. Safety recommendations are the primary tool used by the Board to motivate implementation of safety improvements and prevent future incidents. The CSB uses its unique independent accident investigation perspective to identify trends or issues that might otherwise be overlooked. CSB recommendations may be directed to corporations, trade associations, government entities, safety organizations, labor unions and others.

After the staff presentation, the Board will allow a time for public comment. Following the conclusion of the public comment period, the Board will consider whether to vote to approve the final report and recommendations. When a report and its recommendations are approved, this will begin CSB's process for disseminating the findings and recommendations of the report not only to the recipients of recommendations but also to other public and industry sectors. The CSB believes that this process will ultimately lead to the adoption of recommendations and the growing body of safety knowledge in the industry, which, in turn, should save future lives and property.

All staff presentations are preliminary and are intended solely to allow the Board to consider in a public forum the issues and factors involved in this case. No factual analyses, conclusions or findings should be considered final. Only after the Board has considered the staff presentation and approved the staff report will there be an approved final record of this incident.

The meeting will be open to the public. Please notify CSB if a translator or interpreter is needed, at least 5 business days prior to the public meeting. For more information, please contact the Chemical Safety and Hazard Investigation Board at (202)-261-7600, or visit our Web site at: <http://www.csb.gov>.

Christopher W. Warner,
General Counsel.

COMMISSION ON CIVIL RIGHTS

Agenda and Notice of Public Meeting of the Delaware Advisory Committee

Notice is hereby given, pursuant to the provisions of the rules and regulations of the U.S. Commission on Civil Rights, that a conference call of the Delaware Advisory Committee to the Commission will convene at 1 p.m. and adjourn at 5 p.m. on Wednesday, April 10, 2003. The purpose of the conference call is to Develop strategy for update and new edition of the Committee's published report entitled Delaware Citizens Guide to Civil Rights and Supporting Services, and continues planning for a new project proposal based on the Committee's project concept for a series of forums.

This conference call is available to the public through the following call-in number: 1-800-497-7709, contact name: Ed Darden. Any interested member of the public may call this number and listen to the meeting. Callers can expect to incur charges for calls not initiated using the supplied call-in number or over wireless lines and the Commission will not refund any incurred charges. Callers will incur no charge for calls using the call-in number over land-line connections. Persons with hearing impairments may also follow the proceedings by first calling the Federal Relay Service at 1-800-977-8339 and providing the Service with the conference call number and contact name.

To ensure that the Commission secures an appropriate number of lines for the public, persons are asked to register by contacting Ed Darden of the Eastern Regional Office, 202-376-7533 (TDD 202-376-8116), by 4 p.m. on Tuesday, April 9, 2003.

The meeting will be conducted pursuant to the provisions of the rules and regulations of the Commission.

Dated in Washington, DC, March 19, 2003.

Ivy L. Davis,
Chief, Regional Programs Coordination Unit.

DEPARTMENT OF COMMERCE

[I.D. 030703B]

Submission for OMB Review; Comment Request

ACTION: The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

SUPPLEMENTARY INFORMATION: Agency: National Oceanic and Atmospheric Administration.

Title: Large Pelagic Fishing Survey.

Form Number(s): None.

OMB Approval Number: 0648-0380.

Type of Request: Regular submission.

Burden Hours: 5,218.

Number of Respondents: 22,500.

Average Hours Per Response: 2

minutes for a pre-screen phone contact; 8 minutes per telephone survey response; 5 minutes per dockside interview response; 1.5 minutes per interviewer evaluation response; 3 minutes per socio-economic response; 15 minutes per charter clientele response; 1 minute per biological sampling response; 8 minutes per headboat survey response; and 6 minutes for a North Carolina Winter Bluefin Tuna Dockside Survey.

Needs and Uses: The Large Pelagic Fishing Survey consists of dockside and telephone surveys of recreational anglers for large pelagic fish (tunas, sharks, and billfish) in the Atlantic Ocean. The survey provides NMFS with information to monitor catch of bluefin tuna and marlin. Catch monitoring in these fisheries and collection of catch and effort statistics for all pelagic fish is required under the Atlantic Tunas
