

- Submit a statement of the action taken to comply with any conditions imposed by the regional director in the preliminary approval of the conversion proposal and, if applicable, submit the signed LUA.

II.D.2—Application for a Federal Charter

When the regional director has received evidence that the board of directors has satisfactorily completed the actions described above, the federal charter and new Certificate of Insurance will be issued.

The credit union may then complete the conversion as discussed in the following section. A denial of a conversion application can be appealed. Refer to Section II.C.6 of this chapter.

II.E—Completion of the Conversion

II.E.1—Effective Date of Conversion

The date on which the regional director approves the Organization Certificate and the Application and Agreements for Insurance of Accounts is the date on which the credit union becomes a federal credit union. The regional director will notify the credit union and the state regulator of the date of the conversion.

II.E.2—Assumption of Assets and Liabilities

As of the effective date of the conversion, the federal credit union will be the owner of all of the assets and will be responsible for all of the liabilities and share accounts of the state credit union.

II.E.3—Board of Directors' Meeting

Upon receipt of its federal charter, the board will hold its first meeting as a federal credit union. At this meeting, the board will transact such business as is necessary to complete the conversion as approved and to operate the credit union in accordance with the requirements of the Federal Credit Union Act and NCUA Rules and Regulations.

As of the commencement of operations, the accounting system, records, and forms must conform to the standards established by NCUA.

II.E.4—Credit Union's Name

Changing of the credit union's name on all signage, records, accounts, investments, and other documents should be accomplished as soon as possible after conversion. The credit union has 180 days from the effective date of the conversion to change its signage and promotional material. This requires the credit union to discontinue using any remaining stock of "state

credit union" stationery immediately, and discontinue using credit cards, ATM cards, etc., within 180 days after the effective date of the conversion, or the reissue date, whichever is later. The regional director has the discretion to extend the timeframe for an additional 180 days. Member share drafts with the state-chartered name can be used by the members until depleted.

II.E.5—Reports to NCUA

Within 10 business days after commencement of operations, the recently converted federal credit union must submit to the regional director the following:

- Report of Officials (NCUA 4501); and
- Financial and Statistical Reports, as of the commencement of business of the federal credit union.

III—Conversion of a Federal Credit Union to a State Credit Union

III.A—General Requirements

Any federal credit union may apply to convert to a state credit union. In order to do so, it must:

- Notify NCUA prior to commencing the process to convert to a state charter and state the reason(s) for the conversion;
- Comply with the requirements of Section 125 of the Federal Credit Union Act that enable it to convert to a state credit union and to cease being a federal credit union; and
- Comply with applicable state law and the requirements of the state regulator.

It is important that the credit union provide an accurate disclosure of the reasons for the conversion. These reasons should be stated in specific terms, not as generalities. The federal credit union converting to a state charter remains responsible for the entire operating fee for the year in which it converts.

III.B—Special Provisions Regarding Federal Share Insurance

If the federal credit union intends to continue federal share insurance after the conversion to a state credit union, it must submit an Application for Insurance of Accounts (NCUA 9600) to the regional director at the time it requests approval of the conversion proposal. The regional director has the authority to approve or disapprove the application.

If the converting federal credit union does not intend to continue federal share insurance or if its application for continued insurance is denied, insurance will cease in accordance with

the provisions of Section 206 of the Federal Credit Union Act.

If, upon its conversion to a state credit union, the federal credit union will be terminating its federal share insurance or converting from federal to non-federal share insurance, it must comply with the membership notice and voting procedures set forth in Section 206 of the Federal Credit Union Act and Part 708 of NCUA's Rules and Regulations, and address the criteria set forth in Section 205(c) of the Federal Credit Union Act.

Where the state credit union will be non-federally insured, federal insurance ceases on the effective date of the charter conversion. If it will be otherwise uninsured, then federal insurance will cease one year after the date of conversion subject to the restrictions in Section 206(d)(1) of the Federal Credit Union Act. In either case, the state credit union will be entitled to a refund of the federal credit union's NCUSIF capitalization deposit after the final date on which any of its shares are federally insured.

The NCUA Board reserves the right to delay the refund of the capitalization deposit for up to one year if it determines that payment would jeopardize the NCUSIF.

III.C—Submission of Conversion Proposal to NCUA

Upon approval of a proposition for conversion by a majority vote of the board of directors at a meeting held in accordance with the federal credit union's bylaws, the conversion proposal will be submitted to the regional director and will include:

- A current financial report;
- A current delinquent loan schedule;
- An explanation and appropriate documents relative to any changes in insurance of member accounts;
- A resolution of the board of directors;
- A proposed Notice of Special Meeting of the Members (NCUA 4221);
- A copy of the ballot to be sent to all members (NCUA 4506);
- If the credit union intends to continue with federal share insurance, an application for insurance of accounts (NCUA 9600);
- Evidence that the state regulator is in agreement with the conversion proposal; and
- A statement of reasons supporting the request to convert.

III.D—Approval of Proposal To Convert

III.D.1—Review by the Regional Director

The proposal will be reviewed to determine that it is complete and is in
