#### **16. Florida Power Corporation, dba Progress Energy Florida, Inc.**

[Docket No. SC03-1-000]

Take notice that on April 2, 2003, Florida Power Corporation, dba Progress Energy Florida, Inc. (FPC), tendered for filing pursuant to Section 205 of the Federal Power Act an amendment to its open-access transmission tariff. FPC states that the purpose of the amendment is to recover stranded costs as a transmission surcharge if and when the City of Casselberry, Florida "municipalizes" and becomes a transmission customer of FPC. FPC further states that the customers within the City of Casselberry are currently served at retail by FPC. FPC requests an effective date for the tariff amendment upon commencement of transmission service by Casselberry. FPC requests waiver of the Commission's notice regulations for that purpose. FPC states that the basis for the stranded cost calculation is explained in the testimony and transmittal letter accompanying the tariff amendment.

The proposed tariff amendment affects only the City of Casselberry and would have no impact on any other customer under FPC's open-access transmission tariff. FPC has served a copy of the tariff amendment filing on the City of Casselberry and on the Florida Public Service Commission.
