SUPPLEMENTARY INFORMATION:

Background. The final phase of this investigation is being scheduled as a result of an affirmative preliminary determination by the Department of Commerce that certain benefits which constitute subsidies within the meaning of section 703 of the Act (19 U.S.C. 1671b) are being provided to manufacturers, producers, or exporters in Korea of DRAMs and DRAM modules. The investigation was requested in a petition filed on November 1, 2002, by Micron Technology, Inc., Boise, ID.

Participation in the investigation and public service list. Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of this investigation as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigation need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list. Pursuant to 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of this investigation available to authorized applicants under the APO issued in the investigation, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9),

who are parties to the investigation. A party granted access to BPI in the preliminary phase of the investigation need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report. The prehearing staff report in the final phase of this investigation will be placed in the nonpublic record on June 10, 2003, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

The deadline for filing posthearing briefs is July 1, 2003; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigation may submit a written statement of information pertinent to the subject of the investigation on or before July 1, 2003. On July 16, 2003, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final

comments on this information on or before July 18, 2003, but such final comments must not contain new factual information and must otherwise comply with § 207.30 of the Commission's rules.
