

Estimated Number of Awards: 15.

Note: The Department is not bound by any estimates in this notice.

Project Period: September 30, 2003—September 30, 2004.

Page Limits: If you are an applicant, part III of an application submitted under this notice, the application narrative, is where an applicant addresses the selection criteria that are used by reviewers in evaluating the application.

If your proposed project addresses only part B, you must limit part III to the equivalent of no more than 20 pages for a basic grant. If your proposed project addresses both part B and part C you must limit part III to the equivalent of no more than 30 pages. To determine the number of pages or the equivalent, you must use the following standards:

- A "page" is 8.5" x 11" (on one side only) with one-inch margins (top, bottom, and sides).
- Double-space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, and captions, as well as all text in charts, tables, figures, and graphs.
- Use a font that is either 12-point or larger and no smaller than 10 pitch (characters per inch).

The page limit does not apply to part I, the cover sheet; part II, the budget section, including the narrative budget justification; part IV, the assurances and certifications; or the one-page abstract, the resumes, the bibliography or references, or the letters of support. However, you must include all of the application narrative in part III.

We will reject any application if—

- You apply these standards and exceed the page limit; or
- You apply other standards and exceed the equivalent of the page limit.

Additional Requirements

(a) The projects funded under this competition must make positive efforts to employ and advance in employment in project activities qualified individuals with disabilities (*see* section 606 of IDEA).

(b) Applicants and grant recipients under this competition must involve qualified individuals with disabilities or parents of individuals with disabilities in planning, implementing, and evaluating the projects (*see* section 661(f)(1)(A) of IDEA).

(c) The projects funded under this competition must budget for a two-day Project Directors' meeting in Washington, DC during each year of the project.

Application Procedures

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Pilot Project for Electronic Submission of Applications

In FY 2003, the U.S. Department of Education is continuing to expand its pilot project of electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Special Education—Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities Program—CFDA #84.326X is one of the programs included in the pilot project. If you are an applicant under this program, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application) portion of the Grant Administration and Payment System (GAPS). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a soft copy of a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in this e-Application pilot, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format. When you enter the e-Application system, you will find information about its hours of operation.
- You may submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- After you electronically submit your application, you will receive an

automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

- Within three working days of submitting your electronic application, fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:

(1) Print ED 424 from the e-Application system.

(2) The institution's Authorizing Representative must sign this form.

(3) Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.

(4) Fax the signed ED 424 to the Application Control Center at (202) 260-1349.

- We may request that you give us original signatures on all other forms at a later date.

- Closing Date Extension in Case of System Unavailability: If you elect to participate in the e-Application pilot for The Special Education—Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities Program and you are prevented from submitting your application on the closing date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail or hand delivery. For us to grant this extension—

(1) You must be a registered user of e-Application, and have initiated an e-Application for this competition; and

(2)(a) The e-Application system must be unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the deadline date; or

(b) The e-Application system must be unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time) on the deadline date.

The Department must acknowledge and confirm these periods of unavailability before granting you an extension.

To request this extension you must contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** or (2) the e-GRANTS help desk at 1-888-336-8930.

You may access the electronic grant application for The Special Education—Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities Program at: <http://e-grants.ed.gov>.
