

and services under the Federal Supply Schedule program, which is directed and managed by the General Services Administration (*see* Subpart 8.4, Federal Supply Schedules, for additional information). The Department of Defense manages a similar system of schedule contracting for military items.

The Department of Defense systems are not a part of the Federal Supply Schedule program.

38.101 [Amended]

13. Amend section 38.101 in the first sentence of paragraph (a) by removing “commonly used” and adding

“commercial” in its place; in the second sentence by removing the parenthetical “(including requirements contracts)”; and in the last sentence of paragraph (e) by removing “(see 8.404)” and adding “(see 8.403)” in its place.
