

requirement if it uses NAIC Model Disclosure Form No. 2.

(2) An insurer that is required to make the disclosure under § 50.10(b) and that makes a change in the existing premium, is deemed to be in compliance with the disclosure requirement if it uses NAIC Model Disclosure Form No. 1. Such an insurer may also use the same NAIC Model Disclosure Form No. 1 to comply with the disclosure requirement of section 105(c) of the Act. *See* § 50.18.

(b) *Policies issued within 90 days of the date of enactment.* An insurer that is required to make the disclosure under § 50.10(c) is deemed to be in compliance with the disclosure requirement if it uses either NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2, as long as the form used is modified as appropriate for the particular policy.

(c) *Policies issued more than 90 days after the date of enactment.* An insurer that is required to make the disclosure under § 50.10(d) may continue to use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 if appropriate, or other disclosures that meet the requirements of §§ 50.10(a) and 50.14 may be developed.

(d) *Not exclusive means of compliance.* An insurer is not required to use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 to satisfy the disclosure requirement. An insurer may use other means to comply with the disclosure requirement, as long as the disclosure comports with the requirements of the Act.

(e) *Definitions.* For purposes of this section, references to NAIC Model Disclosure Form No. 1 and NAIC Model Disclosure Form No. 2 refer to such forms as were in existence on April 18, 2003. These forms may be found on the Treasury Web site at <http://www.treasury.gov/trip>.

§ 50.18 Disclosure required by reinstatement provision.

(a) *Nullification of terrorism exclusion.* Any terrorism exclusion in a contract for property and casualty insurance that was in force on November 26, 2002, is void to the extent it excludes losses that would otherwise be insured losses.

(b) *Reinstatement of terrorism exclusion.* Notwithstanding paragraph (a) of this section, an insurer may reinstate a preexisting provision in a contract for property and casualty insurance that was in force on November 26, 2002, and that excludes coverage for an act of terrorism only if:

(1) The insurer has received a written statement from the insured that affirmatively authorizes such reinstatement; or

(2) The insured provided notice at least 30 days before any such reinstatement of the increased premium for such terrorism coverage and the rights of the insured with respect to such coverage, including the date upon which the exclusion would be reinstated if no payment is received, and the insured fails to pay any increased premium charged by the insurer for providing such terrorism coverage.

§ 50.19 Disclosure by State residual market insurance entities and State workers' compensation funds [Reserved]

■ 3. Subpart C of 31 CFR part 50 is amended by adding §§ 50.20, 50.21, 50.23 and 50.24 to read as follows:

§ 50.20 General mandatory availability requirements.

(a) *Transition Period and Program Years 1 and 2—period ending December 31, 2004.* Under section 103(c) of the Act (unless the time is extended by the Secretary as provided in that section) during the period beginning on November 26, 2002 and ending on December 31, 2004 (the last day of Program Year 2), an insurer must:

(1) Make available, in all of its property and casualty insurance policies, coverage for insured losses; and

(2) Make available property and casualty insurance coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism.

(b) *Program Year 3—calendar year 2005.* [Reserved]

§ 50.21 Make available.

(a) *General.* The requirement to make available coverage as provided in § 50.20 applies to policies in existence on November 26, 2002, new policies issued and renewals of existing policies during the period beginning on November 26, 2002 and ending on December 31, 2004 (the last day of Program Year 2), and if the requirement is extended by the Secretary, to new policies issued and renewals of existing policies in Program Year 3 (calendar year 2005). The requirement applies at the time an insurer makes the initial offer of coverage.

(b) *Changes negotiated subsequent to initial offer.* If an insurer satisfies the requirement to “make available” coverage as described in § 50.20 by first

making an offer with coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism, which the policyholder declines, the insurer may negotiate with the policyholder an option of partial coverage for insured losses at a lower amount of coverage if permitted by any applicable State law. An insurer is not required by the Act to offer partial coverage if the policyholder declines full coverage. *See* § 50.24.

(c) *Demonstration of compliance.* If an insurer makes an offer of insurance but no contract of insurance is concluded, the insurer may demonstrate that it has satisfied the requirement to make available coverage as described in § 50.20 through use of appropriate systems and normal business practices that demonstrate a practice of compliance.

§ 50.23 No material difference from other coverage.

(a) *Terms, amounts, and other coverage limitations.* As provided in § 50.20(a)(2), an insurer must offer coverage for insured losses resulting from an act of terrorism that does not differ materially from the terms, amounts, and other coverage limitations (including deductibles) applicable to losses from other perils. For purposes of this requirement, “terms” excludes price.

(b) *Limitations on types of risk.* If an insurer does not cover all types of risks, then it is not required to cover the excluded risks in satisfying the requirement to make available coverage for losses resulting from an act of terrorism that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism. For example, if an insurer does not cover all types of risks, either because the insurer is outside of direct State regulatory oversight, or because a State permits certain exclusions for certain types of losses, such as nuclear, biological, or chemical events, then the insurer is not required to make such coverage available.

§ 50.24 Applicability of State law requirements.

(a) *General.* After satisfying the requirement to make available coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism, if coverage is rejected an insurer may then offer coverage that is on different terms, amounts, or
