

Backfit Analysis

The NRC has determined that the backfit rule does not apply to this rule; and therefore, a backfit analysis is not required for this final rule because these amendments do not involve any provisions that would impose backfits as defined in 10 CFR 50.109(a)(1).

Section 50.75(g) of the final rule, which specifies new information collection and reporting requirements is not subject to the backfit rule, 10 CFR 50.109, inasmuch as information collection and reporting requirements are not within the purview of the backfit rule. The remaining requirements in this rule are voluntary and pertain only to licensees choosing to request a partial site release prior to approval of their license termination plan and are also not subject to the provisions of the backfit rule.

Small Business Regulatory Enforcement Fairness Act

In accordance with the Small Business Regulatory Enforcement Fairness Act of 1996, the NRC has determined that this action is not a major rule and has verified this determination with the Office of Information and Regulatory Affairs, Office of Management and Budget.
