

Because of the limited timeframes established by section 510(m) of the act, FDA has determined, under § 10.115(g)(2) (21 CFR 10.115(g)(2)), that it is not feasible to allow for public participation before issuing this guidance as a final guidance document. Therefore, FDA is issuing this guidance document as a level 1 guidance document that is immediately in effect. FDA will consider any comments that are received in response to this notice to determine whether to amend the guidance document.

II. Significance of Guidance

This guidance is being issued consistent with FDA's GGP's regulation (21 CFR 10.115). The guidance represents the agency's current thinking on optical impression systems for CAD/CAM. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. An alternative approach may be used if such approach satisfies the requirements of the applicable statute and regulations.

III. Comments

Interested persons may submit to the Dockets Management Branch (see **ADDRESSES**), written or electronic comments regarding this document. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the Dockets Management Branch between 9 a.m. and 4 p.m., Monday through Friday.

IV. Paperwork Reduction Act of 1995

This guidance contains information collection provisions that are subject to review by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (the PRA) (44 U.S.C. 3501–3520). The labeling provisions addressed in the guidance have been approved by OMB under the PRA under OMB control number 0910–0485.

V. Electronic Access

To receive a copy of "Class II Special Controls Guidance Document: Optical Impression Systems for Computer Assisted Design and Manufacturing (CAD/CAM) of Dental Restorations; Guidance for Industry and FDA" by fax machine, call the CDRH Facts-On-Demand system at 800–899–0381 or 301–827–0111 from a touch-tone telephone. Press 1 to enter the system. At the second voice prompt, press 1 to

order a document. Enter the document number (1203) followed by the pound sign (#). Follow the remaining voice prompts to complete your request.

Persons interested in obtaining a copy of the guidance may also do so by using the Internet. CDRH maintains an entry on the Internet for easy access to information including text, graphics, and files that may be downloaded to a personal computer with Internet access. Updated on a regular basis, the CDRH home page includes device safety alerts, **Federal Register** reprints, information on premarket submissions (including lists of approved applications and manufacturers' addresses), small manufacturer's assistance, information on video conferencing and electronic submissions, Mammography Matters, and other device-oriented information. The CDRH Web site may be accessed at <http://www.fda.gov/cdrh>. A search capability for all CDRH guidance documents is available at <http://www.fda.gov/cdrh/guidance.html>. Guidance documents are also available on the Dockets Management Branch Internet site at <http://www.fda.gov/ohrms/dockets>.

Dated: April 16, 2003.

Jeffrey Shuren,

Assistant Commissioner for Policy.

Rural Access to Emergency Devices (RAED) Grant Program

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice of availability of funds.

SUMMARY: The Health Resources and Services Administration (HRSA) announces that of approximately \$12,500,000 for fiscal year (FY) 2003 to provide grants for the purchase, placement and training in the use of automated external defibrillators (AEDs) and related activities in eligible rural areas. HRSA estimates that approximately 50 awards will be made to community partnerships, in collaboration with State Offices of Emergency Medical Services, for FY 2003. This is assuming one award per State. The project period will consist of three years, to include two non-competitive continuations for years two

and three. All funding is subject to the availability of funds. These grants will be awarded under the authority of Pub. L. 106–505, Title IV—Cardiac Arrest Survival, Subtitle B—Rural Access to Emergency Devices, 42 U.S.C. 254c, note. The Office of Rural Health Policy will administer the Rural Access to Emergency Devices (RAED) Grant Program.

DATES: Applicants interested in applying for funding under this program are requested to fax or mail a letter of intent to the Office of Rural Health Policy by May 5, 2003, at fax number (301) 443–2803. Mailed letters of intent should be sent to Evan Mayfield, Office of Rural Health Policy, HRSA, Room 9A–55, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. A copy of this letter of intent should also be faxed or mailed to the appropriate State Office of Emergency Medical Services by this same date. The letter of intent need only include the lead applicant's organizational name, proposed number of AEDs requested and a proposed listing of those in their community partnership. The deadline for receipt of applications is June 18, 2003. Applications will be considered on time if they are either received on or before the deadline date in the HRSA Grants Application Center or postmarked on or before the deadline date.

ADDRESSES: To receive an application kit, applicants may telephone the HRSA Grants Application Center at (877) 477–2123 (877–HRSA–123) or the application forms can be downloaded via the Web at <http://www.ruralhealth.hrsa.gov/funding.htm>. The instructions for preparing the applications will be included with the grant guidance as part of the grant application kit. The RAED Grant Program uses PHS Forms 424 and 5161 for applications. Applicants must use the administrative code "RAED," Catalog of Federal Domestic Assistance number 93.259 and HRSA Program Announcement number HRSA03–088 when requesting applications. The CFDA is a Government-wide compendium of enumerated Federal programs, projects, services and activities that provide assistance. All applications must be mailed or delivered to the Grants Management Officer, Office of Rural Health: HRSA Grants Application Center, 901 Russell Avenue, Suite 450, Gaithersburg, MD 20879; telephone (877) 477–2123.
