

and addressing the barriers confronted by, individuals with disabilities in all aspects of their lives.

Eligible Applicants: Parties eligible to apply for grants under this program are States, public or private agencies, including for-profit agencies, public or private organizations, including for-profit organizations, institutions of higher education, and Indian tribes and tribal organizations.

Applications Available: April 22, 2003.

Deadline for Transmittal of Applications: June 27, 2003.

Maximum Award Amount: \$1,000,000 per year for the Universal Interface and Information Technologies topic area; \$950,000 per year for all other topic areas.

Note: We will reject without consideration or evaluation any application that proposes a budget exceeding the stated maximum award amount in any year (See 34 CFR 75.104(b)).

Estimated Number of Awards: 9.
Project Period: Up to 60 months.

Note: The Department is not bound by any estimates in this notice.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR), 34 CFR parts 74, 75, 77, 80, 81, 82, 85, 86 and 97, and the program regulations 34 CFR part 350.

Priorities

This competition focuses on projects designed to meet the priorities in the notice of final priorities for this program, published elsewhere in this issue of the **Federal Register**. The priorities are: (a) Hearing enhancement; (b) prosthetics and orthotics; (c) communication enhancement; (d) measurement and monitoring of functional performance; (e) technology access for land mine survivors; (f) universal interface and information technologies; (g) telerehabilitation; (h) accessible public transportation; (i) wheeled mobility; (j) cognitive technologies; and (k) technology transfer. Applicants are allowed to submit more than one proposal as long as each proposal addresses only one priority topic area. The topic area should be the descriptive title of the applicant's project. NIDRR requests that you include the topic in the title block of the ED 424 form, the abstract, and introduction paragraph.

For FY 2003, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet these priorities.

Selection Criteria: The selection criteria to evaluate applications under

this program are found in the application package.

Pre-Application Meeting: Interested parties are invited to participate in a pre-application meeting to discuss the funding priorities and to receive technical assistance through individual consultation and information about the funding priorities. The pre-application meeting will be held on May 12, 2003 either in person or by conference call at the Department of Education, Office of Special Education and Rehabilitative Services, Switzer Building, room 3065, 330 C Street, SW., Washington, DC between 10 AM and 12 noon. NIDRR staff will also be available from 1:30 PM to 4 PM on that same day to provide technical assistance through individual consultation and information about the funding priority. For further information or to make arrangements to attend contact Donna Nangle, Switzer Building, room 3412, 330 C Street, SW., Washington, DC 20202. Telephone (202) 205-5880 or via Internet: donna.nangle@ed.gov.

If you use a telecommunications device for the deaf (TDD), you may call (202) 205-4475.

Assistance to Individuals With Disabilities at the Public Meetings

The meeting site is accessible to individuals with disabilities, and a sign language interpreter will be available. If you will need an auxiliary aid or service other than a sign language interpreter in order to participate in the meeting (e.g., other interpreting service such as oral, cued speech, or tactile interpreter; assistive listening device; or materials in alternate format), notify the contact person listed in this notice at least two weeks before the scheduled meeting date. Although we will attempt to meet a request we receive after this date, we may not be able to make available the requested auxiliary aid or service because of insufficient time to arrange it.

Application Procedures

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Pilot Project for Electronic Submission of Applications

In FY 2003, the U.S. Department of Education is continuing to expand its pilot project for electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Rehabilitation Engineering Research Centers (RERCs) Program—CFDA No. 84.133E—is one of the programs included in the pilot project. If you are an applicant under the RERCs Program, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application) portion of the Grant Administration and Payment System (GAPS). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a soft copy of a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format. When you enter the e-Application system, you will find information about its hours of operation.
- You may submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

• Within three working days after submitting your electronic application, fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:

(1) Print ED 424 from the e-Application system.

(2) The institution's Authorizing Representative must sign this form.

(3) Place the PR/Award number in the upper right-hand corner of the hard copy signature page of the ED 424.
