

Canada; Amendment of Final Determination of Sales At Less Than Fair Value and Order in Accordance With Decision on Remand (58 FR 62643, November 29, 1993).

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: April 16, 2003.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

[FR Doc. 03-10193 Filed 4-23-03; 8:45 am]

#### Notice of Correction to the Amended Antidumping Duty Orders; Certain Stainless Steel Plate in Coils From Belgium, Canada, Italy, the Republic of Korea, South Africa, and Taiwan

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of correction to the Amended Antidumping Duty Orders.

**EFFECTIVE DATE:** March 11, 2003.

**FOR FURTHER INFORMATION CONTACT:** Robert Bolling at (202) 482-3434 or Robert James at (202) 482-0649, Antidumping and Countervailing Duty Enforcement Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

#### Background

On March 11, 2003, the Department published in the **Federal Register** the amended antidumping duty orders on certain stainless steel plate in coils (stainless steel plate) from Belgium, Canada, Italy, the Republic of Korea, South Africa, and Taiwan. See

*Amended Antidumping Duty Orders; Certain Stainless Steel Plate in Coils from Belgium, Canada, Italy, the Republic of Korea, South Africa, and Taiwan*, 68 FR 11520 (March 11, 2003) (*Amended Antidumping Duty Orders*).

In the amended antidumping duty orders, the Department inadvertently failed to convert certain old HTS numbers to their new designated HTS number in the Scope of the Orders section. Due to changes in the HTS numbers, subheadings 7219.12.00.05, 7219.12.00.20, 7219.12.00.25, 7219.12.00.50, 7219.12.00.55, 7219.12.00.65, 7219.12.00.70, and 7219.12.00.80 are replaced by 7219.12.00.06, 7219.12.00.21, 7219.12.00.26, 7219.12.00.51, 7219.12.00.56, 7219.12.00.66, 7219.12.00.71, and 7219.12.00.81. We are now correcting the scope of the orders section to reflect those changes. As we note below and in the *Amended Antidumping Duty Orders*, the HTS subheadings are provided for convenience and Customs purposes; the written description of the merchandise subject to these orders is dispositive. See Scope of the Orders section below. Additionally, the **Federal Register** is going to correct an inadvertent error it made in the publication of the "All Others" rate for South Africa.

#### Scope of the Orders

The product covered by these orders is certain stainless steel plate in coils. Stainless steel is an alloy steel containing, by weight, 1.2 percent or less of carbon and 10.5 percent or more of chromium, with or without other elements. The subject plate products are flat-rolled products, 254 mm or over in width and 4.75 mm or more in thickness, in coils, and annealed or otherwise heat treated and pickled or otherwise descaled. The subject plate may also be further processed (e.g., cold-rolled, polished, etc.) provided that it maintains the specified dimensions of plate following such processing. Excluded from the scope of these orders are the following: (1) Plate not in coils, (2) plate that is not annealed or otherwise heat treated and pickled or otherwise descaled, (3) sheet and strip, and (4) flat bars.

The merchandise subject to this review is currently classifiable in the Harmonized Tariff Schedule of the United States (HTS) at subheadings:

7219.11.00.30, 7219.11.00.60, 7219.12.00.06, 7219.12.00.21, 7219.12.00.26, 7219.12.00.51, 7219.12.00.56, 7219.12.00.66, 7219.12.00.71, 7219.12.00.81, 7219.31.00.10, 7219.90.00.10, 7219.90.00.20, 7219.90.00.25,

7219.90.00.60, 7219.90.00.80, 7220.11.00.00, 7220.20.10.10, 7220.20.10.15, 7220.20.10.60, 7220.20.10.80, 7220.20.60.05, 7220.20.60.10, 7220.20.60.15, 7220.20.60.60, 7220.20.60.80, 7220.90.00.10, 7220.90.00.15, 7220.90.00.60, and 7220.90.00.80.

Although the HTS subheadings are provided for convenience and Customs purposes, the written description of the merchandise subject to these orders is dispositive.

#### Amended Antidumping Duty Orders and Suspension of Liquidation

In accordance with section 736(a)(1) of the Tariff Act, the Department will direct Customs officers to assess, upon further advice by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise for all relevant entries of stainless steel plate in coils, as described in the "Scope of the Orders" section above, from Belgium, Canada, Italy, Korea, South Africa and Taiwan. These antidumping duties will be assessed on all unliquidated entries of stainless steel plate in coils, other than cold-rolled stainless steel plate in coils, from Belgium, Canada, Italy, Korea, South Africa and Taiwan entered, or withdrawn from warehouse, for consumption on or after November 4, 1998, the date on which the Department published its notices of preliminary determination in the **Federal Register** (63 FR 59524 through 59544).

Furthermore, effective March 11, 2003, we will instruct the Customs service to require cash deposits on all entries of cold-rolled stainless steel plate in coils, as well as other stainless steel plate in coils subject to these orders, in accordance with the Court's December 12, 2002 opinion in *Allegheny Ludlum v. United States*.

For unreviewed producers, and for "All Others," the applicable weighted-average margins are those established in the original final determinations. For those producers that have been reviewed the applicable weighted-average margins are those established in the investigation or the most recently completed final results of an antidumping administrative review, as noted below:

Producer/manufacturer/ exporter	Cash deposit rate percentage
Belgium:	
ALZ, N.V. ....	3.84 (67 FR 64352)
All Others .....	9.86
