<sup>1</sup> In accordance with section 772(c)(1)(C) of the Tariff Act the cash deposit rate for South Africa has been reduced by 3.86 percent to account for export subsidies found in the concurrent countervailing duty investigation (See *Final Affirmative Countervailing Duty Determination: Stainless Steel Plate in Coils From South Africa*, 64 FR 15553, March 31, 1999), *Antidumping Duty Orders*, and Memorandum to Bernard Carreau, "Ministerial Error Allegations \* \* \* in the Final Determination of the Countervailing Duty Investigation of Certain Stainless Steel Wire Rod [sic] from South Africa," April 30, 1999.

Customs officers must require, at the same time as importers would normally deposit estimated duties on this merchandise, cash deposits equal to the rates presently in effect. This notice constitutes the amended antidumping duty orders with respect to certain stainless steel plate in coils from Belgium, Canada, Italy, Korea, South Africa and Taiwan. Interested parties may contact the Department's Central Records Unit, room B-099 of the main Commerce building, for copies of an updated list of antidumping duty orders currently in effect.

These amended orders are published in accordance with section 736(a) of the Tariff Act of 1930, as amended.

Dated: April 4, 2003.

**Joseph A. Spetrini,**

*Acting Assistant Secretary for Import Administration.*

### Certain Stainless Steel Plate in Coils From Belgium, Italy and South Africa; Notice of Correction to the Amended Countervailing Duty Orders

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of correction to the amended countervailing duty orders.

**EFFECTIVE DATE:** March 11, 2003.

#### FOR FURTHER INFORMATION CONTACT:

Andrew Smith at (202) 482-1276 for Belgium and Italy, Eric Greynolds at (202) 482-6071 for South Africa, or Robert James at (202) 482-0649, Antidumping and Countervailing Duty Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

#### Background

On March 11, 2003, the Department published in the **Federal Register** the amended countervailing duty orders on certain stainless steel plate in coils (stainless steel plate) from Belgium, Italy and South Africa. See *Amended Countervailing Duty Orders; Certain Stainless Steel Plate in Coils From Belgium, Italy, and South Africa*, 68 FR 11524 (*Amended Countervailing Duty Orders*).

In its amended countervailing duty orders the Department inadvertently failed to convert certain old numbers under the *Harmonized Tariff System of the United States, annotated (HTS)*, to their new HTS numbers in the "Scope of the Orders" section. Due to changes in the HTS numbers, subheadings 7219.12.00.05, 7219.12.00.20, 7219.12.00.25, 7219.12.00.50, 7219.12.00.55, 7219.12.00.65, 7219.12.00.70, and 7219.12.00.80 are replaced by 7219.12.00.06, 7219.12.00.21, 7219.12.00.26, 7219.12.00.51, 7219.12.00.56, 7219.12.00.66, 7219.12.00.71, and 7219.12.00.81. We are now correcting the scope of the orders section to reflect those changes. As we note below and in the *Amended Countervailing Duty Orders*, the HTS subheadings are provided for convenience and Customs purposes; the written description of the merchandise subject to these orders is dispositive. See "Scope of the Orders" section below.

### Scope of the Orders

The product covered by these orders is certain stainless steel plate in coils. Stainless steel is an alloy steel containing, by weight, 1.2 percent or less of carbon and 10.5 percent or more of chromium, with or without other elements. The subject plate products are flat-rolled products, 254 mm or over in width and 4.75 mm or more in thickness, in coils, and annealed or otherwise heat treated and pickled or otherwise descaled. The subject plate may also be further processed (e.g., cold-rolled, polished, etc.) provided that it maintains the specified dimensions of plate following such processing. Excluded from the scope of these orders are the following: (1) Plate not in coils, (2) plate that is not annealed or otherwise heat treated and pickled or otherwise descaled, (3) sheet and strip, and (4) flat bars.

The merchandise subject to these orders is currently classifiable in the *Harmonized Tariff Schedule of the United States (HTS)* at subheadings: 7219.11.00.30, 7219.11.00.60, 7219.12.00.06, 7219.12.00.21, 7219.12.00.26, 7219.12.00.51, 7219.12.00.56, 7219.12.00.66, 7219.12.00.71, 7219.12.00.81, 7219.31.00.10, 7219.90.00.10, 7219.90.00.20, 7219.90.00.25, 7219.90.00.60, 7219.90.00.80, 7220.11.00.00, 7220.20.10.10, 7220.20.10.15, 7220.20.10.60, 7220.20.10.80, 7220.20.60.05, 7220.20.60.10, 7220.20.60.15, 7220.20.60.60, 7220.20.60.80, 7220.90.00.10, 7220.90.00.15, 7220.90.00.60, and 7220.90.00.80. Although the HTS subheadings are provided for convenience and Customs purposes, the written description of the merchandise subject to these orders is dispositive.

### Amended Countervailing Duty Orders and Suspension of Liquidation

In accordance with section 706(a)(1) of the Tariff Act of 1930, as amended (the Tariff Act), the Department will direct Customs officers to assess, upon further advice by the Department, countervailing duties for each entry of the stainless steel plate in coils, as described in the "Scope of the Orders" section above, from Belgium, Italy and South Africa in an amount based on the net countervailable subsidy rate for the subject merchandise. These countervailing duties will be assessed on all unliquidated entries of stainless steel plate in coils, other than cold-rolled stainless steel plate in coils, from Belgium, Italy and South Africa entered, or withdrawn from warehouse, for
