

2. Provide the FERC Project Number assigned by FERC (*i.e.*, P-96). Only one project number should appear on the form

3. Identify the federal reservation that is located within the project boundary as shown on the maps.

4. Identify the federal land holding agency responsible for the federal land within the project boundary as shown on the maps

5. Identify the county or counties the federal land lies in.

6. Identify whether you are completing the form for a licensed project or a preliminary permit. Identify whether the license is

pending or issued. Provide an expiration date in case of a preliminary permit.

7. Complete a land description form for each federal tract with lands inside project boundaries. If more than one land description form is required to list the Federal tracts, page numbers must be shown in the upper right corner of the form, *e.g.*, page 1 of 2. Do not list more than one project or state on each form.

8. Provide sheet numbers or letters that should be entered on the lines provided under "Exhibit Sheet Number(s) or Letter(s)" opposite to the corresponding Federal tract identification designated by the Federal land

holding agency. Specify the exhibit sheet (drawing) number within the appropriate township section. If the FERC sheet numbers have been assigned, they must be used on the land description forms. In those cases where FERC has not assigned sheet numbers, assign letter designations A, B, C, *etc.*, in lieu of FERC sheet numbers. Permittees and permit applicants must assign letter designations since FERC does not assign sheet numbers for permits.

9. Provide the name, telephone number of the person completing the form, and the date the form is submitted.
