

connection with a training and education meeting, including, but not limited to, golf outings, cruises, tours, and other entertainment. The NASD believes that amending the non-cash compensation provisions of the DPP and Corporate Financing rules will codify stated policy, practice, and interpretive advice and make these rules generally consistent with those governing variable annuities and mutual funds. The NASD believes, in addition, that these amendments will allow this body of interpretive guidance to be applied consistently with respect to training and education meetings relating to any of the relevant products.

2. Statutory Basis

The NASD believes that the proposed rule change is consistent with the provisions of section 15A(b)(6) of the Act,⁵ which requires, among other things, that the NASD's rules must be designed to prevent fraudulent and manipulative acts and practices; to promote just and equitable principles of trade; and, in general, to protect investors and the public interest. The NASD believes the proposed rule change will make the non-cash compensation provisions of the Corporate Financing rule and the DPP rule comparable to the more detailed non-cash compensation provisions that are currently in the Variable Contracts rule and the Investment Company rule. The proposed rule change also will provide expressly that NASD Interpretive Materials will apply to all four rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The NASD has represented that the proposed rule change is effective upon filing pursuant to section 19(b)(3)(A)(ii) of the Act⁶ and rule 19b-4(f)(1) thereunder,⁷ in that it constitutes a

stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule.

At any time within 60 days of this filing, the Commission may summarily abrogate this proposal if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NASD.
